A Message regarding the 2006 Iowa College and University Enrollment Report

The Fall 2006 Iowa College and University Enrollment Report, as compiled on behalf of the Iowa Coordinating Council for Post High School Education, contains a snapshot of reported enrollments at Iowa postsecondary institutions.

Policy-makers, researchers and others utilizing these data should be aware of the following facts related to this report:

1. The data in the report are based on voluntary reports from the institutions themselves (through the Iowa Department of Education for Community Colleges), to personnel at the Office of the Registrar at the University of Iowa which has been designated by the Coordinating Council as the collection agency for this information. The reporting institutions, therefore, are the sources of the data.

2. This year's report includes six categories of postsecondary institutions -- public 4-year or above; private non-profit 4-year or above; private for-profit 4-year or above; public 2-year; private non-profit 2-year; and private for-profit 2-year.

3. There are two tables of information available, the first an institution by institution set of data, and the second a summary table that provides the aggregated data by sector.

If you have any questions or seek further information, please contact ICCPHSE Permanent Secretary, Diana Gonzalez at gonzalez@iastate.edu.

The Iowa Coordinating Council for Post High School Education is a voluntary association of higher education boards and institutional leaders made up of representatives from 2-year and 4-year colleges and universities and schools, public and private, profit and nonprofit, offering higher education programs.

^ AIB College of Business is accredited to offer baccalaureate degrees.

** Briar Cliff University operates on a trimester system of three 10 week semesters. The Part-Time divisor is 10 instead of 12 to equate the FTE in comparable numbers to a two semester schools. Their numbers reflect their college divisor of 10.

*** *Wartburg is on a course credit system. 1cc = 3.5 semester hrs.*

**** Indian Hills undergraduate full time status is considered 8 hours and this number is used in their calculation of the Adjusted Total Enrollment.

**** *This category includes some proprietary certificate, diploma, and 2 year plus degree granting entities, to align with federal categorization.*

** (a full time 13 month course) equals 70 credit hours or 17.5 credits per our four 525 hour semesters (equaling 2100 clock hours).*

Note: *Adjusted Total Enrollment is calculated by adding: (The Total Full Time student enrollment reported) plus the total Part-Time Student Credit Hours Reported divided by 12 for undergraduates, 9 graduates and 9 for professional students).*
