IOWA LAKESIDE LABORATORY REGENTS RESOURCE CENTER ANNUAL REPORT

Committee Action Requested: Receive the annual report of Iowa Lakeside Laboratory Regents Resource Center.

Executive Summary: In FY 2026, Iowa Lakeside Laboratory had a busy year with programming, as well as breaking ground on its first new building since 1998. During construction, Lakeside Laboratory maintained a successful internship program, a cadre of courses, supported community needs during flood recovery and with water quality, and provided numerous youth and community education offerings. Financial support from the Friends of Lakeside Lab was a vital resource in maintaining Iowa Lakeside Laboratory's scope of activity and supporting construction and maintenance projects.

The FY 2026 financial summary and FY27 budget are provided with this report.
