**ALLOCATION OF MANDATORY STUDENT FEES
FOR 2014-2015 ACADEMIC YEAR**

Action Requested: Consider approval of the allocation of the Regent universities mandatory student fees as established in Attachments A, B, and C for the 2014-15 academic year which includes the summer 2014 session.

Executive Summary: In December 2013, the Board approved tuition and mandatory fees for the 2014-15 academic year. Iowa Code §262.34B authorizes a student fee committee comprised of five students and five employees at each university to make recommendations for the distribution of revenues from student activity/service fees to the university president. The allocation proposals are consistent with the recommendations of the student fee committees. Building fees are allocated among enterprises to ensure minimum bond coverage ratios are met.

The statute requires Board approval of the allocation of student fees. Proposed fee allocations represent efforts to provide opportunities for students to participate in student organizations and activities.

The Board approved the following mandatory fees in December 2013.

Summer session fees are assessed at 75% of the full-time semester rate.

The Student Services Fee Committee considers total dollar allocations necessary to support the various activities and services. Summer session "per student" allocations are used to bring the total allocation for each activity to the Committee's recommended support level which may result in unusual percentage changes.
