**REPORT OF CRIME STATISTICS AT THE UNIVERSITIES
FOR THE QUARTER ENDING MARCH 31, 2013**

Actions Requested: Receive the report on the crime statistics at the three universities for the quarter ending March 31, 2013.

Executive Summary: At the Board's request, it will receive quarterly reports of crime statistics compiled by the university Public Safety Departments. The reports for the quarter ending March 31, 2013, are attached.

At a previous meeting of the Board, the Directors of Public Safety clarified some of the entries on the statistical reports. For example, the "all other" category includes a variety of criminal offenses correlating with FBI statistical reports as well as non-criminal offenses. Some of these would include criminal offenses such as Interference with Official Acts, Falsifying Driver Licenses, Harassment, Filing a False Report to a Law Enforcement Agency. Examples of non-criminal offenses included in the "all other" category would be Accidents, Disturbances, and Personal Injury.

Another clarification provided was that an incident report involving a single individual may include multiple offenses – such as Assault, Public Intoxication and Falsifying a Driver's License. Each of these offenses would be counted in the appropriate category on the tables. However, if there was an arrest, only one arrest would be indicated.

As per the Board's request, the attachments provide comparison data for the same quarters in calendar year 2012.

The table below summarizes the totals from the three reports.
