PROPOSED FALL FY 2017 TUITION INCREASE

Action Requested: Approve the proposed tuition increases effective for the Fall 2016 semester.

Executive Summary: The Board of Regents advocates for adequate support for Regent institutions from all sources for high-quality, accessible educational opportunities for Iowans.

The 2016 General Assembly appropriated \$6.3 million in new General University funds of a Board of Regents requested increase of \$20.34 million. The Education Appropriations Bill - Senate File 2323 was signed by the Governor on May 27, 2016.

	Request	SF 2323
University of Iowa request	\$4,500,000	\$1,300,000
Iowa State University request	\$8,190,000	\$2,218,000
University of Northern Iowa request	\$7,650,000	\$2,781,000
Total	\$20,340,000	\$6,299,000

The Board of Regents is asked to consider tuition increases effective for the Fall 2016 semester. This increase would be prorated based on credit hour for part-time undergraduate resident students. The tuition for undergraduate residents for the 2016-17 academic year at SUI would be \$7,178, and at ISU and UNI it would be \$7,148.

Tuition Details:

The proposed resident tuition increases are estimated to generate approximately \$14.9 million, with the total from all proposed increases generating approximately \$21.1 million. The proposed tuition increase will assist the universities in managing inflationary expenses, meeting mandated salary, and directing these revenues to support teaching and student needs.
