**PRESENTATION AT THE UNIVERSITY OF NORTHERN IOWA:
“RESTRUCTURING FIELD EXPERIENCES IN TEACHER EDUCATION AND EXPANDING
PROFESSIONAL DEVELOPMENT SCHOOL PARTNERSHIPS”**

Action Requested: Receive the presentation.

Executive Summary: UNI implemented a restructuring of field experiences in the teacher education program and an expansion of professional development school partnerships with area schools following the closure of Malcolm Price Laboratory School. The new model of field experience support and supervision will be described; evidence of impact will be shared; and perceptions of UNI students and school partners will be included in the presentation. Ms. Becky Hawbaker, Coordinator of Field Experiences, will be joined by a local school teacher and a UNI pre-service student for the discussion.
