PERSONNEL ACTIONS

Actions Requested: Consider approval of the actions outlined below.

UNIVERSITY OF IOWA

- a. The Board approved the appointment DAN REED as Vice President for Research and Economic Development at its September 2012 meeting. The appointment is effective October 15, 2012.

The university is now requesting approval of the appointment of Vice President Reed as full professor in the Department of Computer Science with tenure.

- b. Appointment: JORDAN COHEN as Advisor and Special Associate to the Executive Vice President and Provost at 60% effort effective October 15, 2012. Cohen's last day as Vice President for Research and Economic Development is October 14, 2012. His current annual salary will be reduced by 60% to \$191,880 when he assumes his new responsibilities. His responsibilities will include advising the university on STEM initiatives and on university's research park issues. He will also serve the Board of Regents as its Director of Economic Development.
