

IOWA COORDINATING COUNCIL FOR POST HIGH SCHOOL EDUCATION

ANNUAL REPORT 2001-2002

Mission Statement

The mission of the Iowa Coordinating Council for Post High Education (ICCPHSE) is to provide an effective means of voluntary cooperation and coordination among the various boards and institutions which are responsible for post high school education in Iowa. This mission is to be accomplished by:

- * Providing a means for the systematic gathering of data and making such data available in usable form to the colleges, their boards, and all other agencies in need of such information.
- * Making studies of problems, policies, curriculum, finance, facilities, and other factors which are pertinent to planning and developing of post high school education in Iowa.
- * Receiving information from boards and institutions concerning their problems, plans, and legislative requests.
- * Making recommendations to governing boards and institutions and to the public which will aid in the development of statewide coordination of postsecondary education.

Membership

The general membership of the Council shall consist of all colleges and universities in Iowa that participate in state supported student financial aid programs administered by the Iowa College Aid Commission and constituent agencies, boards, and associations.

Iowa Coordinating Council for Post-High School Education

Cooperation Statement

The Iowa Coordinating Council for Post-High School Education is a voluntary association of all segments of Iowa post-high school education; public and independent; academic and occupational; nonprofit and proprietary. The Coordinating Council is committed to developing an association that can provide for voluntary cooperation among all post-high school educational institutions to insure that Iowans have access to the finest quality educational opportunities and freedom from the burden of unnecessary duplication of effort and uncoordinated expansion of program development.
