

# IOWA COORDINATING COUNCIL FOR POST HIGH SCHOOL EDUCATION

## ANNUAL REPORT 2003-2004

### Mission Statement

The mission of the Iowa Coordinating Council for Post High Education (ICCPHSE) is to provide an effective means of voluntary cooperation and coordination among the various boards and institutions which are responsible for post high school education in Iowa. This mission is to be accomplished by:

- \* Providing a means for the systematic gathering of data and making such data available in usable form to the colleges, their boards, and all other agencies in need of such information.
- \* Making studies of problems, policies, curriculum, finance, facilities, and other factors which are pertinent to planning and developing of post high school education in Iowa.
- \* Receiving information from boards and institutions concerning their problems, plans, and legislative requests.
- \* Making recommendations to governing boards and institutions and to the public which will aid in the development of statewide coordination of postsecondary education.

### Membership

The general membership of the Council shall consist of all colleges and universities in Iowa that participate in state supported student financial aid programs administered by the Iowa College Student Aid Commission and constituent agencies, boards, and associations.
