✓ Submit all accreditation reports on programs, colleges, and the institution to the Board Office (ATTN: Diana Gonzalez).

✓ Accreditation reports need to be sent to the Board Office as soon as possible after final agency action has occurred.

✓ Identify the specific degree program(s) that underwent the accreditation process.
  ☐ Provide a brief description of each program that underwent the accreditation process.

✓ Institutions need to submit complete documentation of the accreditation process, including the following:
  ☐ Name of accrediting agency; summary of accrediting standards/guidelines
  ☐ Brief summary of internal review process, including the preparation of a self-study and the participation of faculty
  ☐ Date(s) of site team visit
  ☐ Site team report
  ☐ Institutional correspondence to agency, including responses regarding factual errors in the site team report
  ☐ Changes to site team report if any occurred
  ☐ Final letter of approval or accreditation, including length of accreditation, date of next scheduled visit, requirements (e.g., interim report, visit, standards, etc.)
  ☐ Other pertinent correspondence between institution and agency
  ☐ Other pertinent information about accreditation process, such as maximum term of accreditation possible
  ☐ Changes implemented resulting from the accreditation report; time frame for future implementation of required changes

✓ After completing a review of the accreditation documents, the Board Office will schedule the accreditation report on the Board of Regents meeting agenda. For the review meeting, at a minimum, the Power Point presentation should include demographic information regarding each program and should address the status of recommendations included in the agency report.
