* Off-campus students do not attend any on-campus classes (i.e. classes with at least 20% time spent on the main campus of the institution)

** 2010 data has been changed to reflect new data from Briar Cliff University

Note: This report is based on point-in-time data representing enrollments corresponding to each College/University census date. For example, for the University of Iowa, University of Northern Iowa and Iowa State University, the census date is the 10th day of classes. The public community colleges use the 14th day of classes for their census date.

Adjusted Total Enrollment is calculated by adding the total number of Full Time students to the number of Part Time Semester Credit Hours divided by the institution's FTE value. (For most institutions the FTE value is 12 semester credit hours for undergraduates, and 9 semester credit hours for graduate and professional students.)
