

**MEMORANDUM**

**To:** Board of Regents  
**From:** Board Office  
**Subject:** Cooperative Athletic Agreement with Lewis Central  
**Date:** March 6, 2000

**Recommended Action:**

Approve the agreement with Lewis Central Community School District.

**Executive Summary:**

The Iowa High School Athletic Association requires schools that participate in cooperative agreements to renew these agreements annually.

Lewis Central and ISD have cooperated for several years to offer ISD students the opportunities to participate in cross country, golf, tennis, wrestling, soccer, swimming, and junior high football at Lewis Central.

ISD has few expenses associated with the agreement. Interpreters are generally provided to enable students to understand what the coaches are saying.

Although few students have taken advantage of these opportunities, the School believes that the opportunity should be presented to students in order to develop skills in these sports.
