

MEMORANDUM

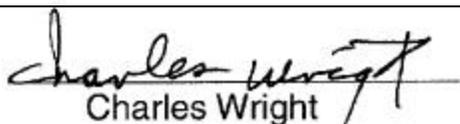

To: Board of Regents
From: Board Office
Subject: Presentation of Petition Regarding Malcolm Price Laboratory School
Date: May 6, 2002

Recommended Actions:

1. Permit the President of the Malcolm Price Laboratory School Parent Teacher Partnership to address the Board concerning the closing of grades 10-12 of Malcolm Price Laboratory School, at the request of President Koob; and
 2. Permit President Koob to make introductory remarks and introduce the President of the Malcolm Price Laboratory School Parent Teacher Partnership and any member of the UNI administration he deems appropriate for additional comments.
-

Executive Summary:

- Before the Board this month is a petition from the Malcolm Price Laboratory School Parent Teacher Partnership (MPLSPTP).
 - Relative to this petition, G.D. 13c address the Petitioners' request for a Declaratory Order.
 - It was recommended by the Board's legal counsel that as the Petitioners identified two objectives with their written submission – a Petition for Declaratory Order and a Request to Appear Before the Board – each objective should be handled separately.
 - President Koob has asked that the Board consider permitting the President of the MPLSPTP to address the Board at this meeting and to permit him to make introductory comments and introduce the President of MPLSPTP and introduce for comments any member of the UNI administration he deems appropriate.
 - The Board Office concurs with President Koob's request.
