**R and R Investors**

**Background**

In early 1998, the Board Office relocated from the Ola J. Babcock Building (formerly known as the Old Historical Building) to its current location as part of the Department of General Services “Operation Bold Move,” which included the complete renovation of the Ola J. Babcock Building.

Although the Board Office had been scheduled to return to its former space when the renovation was complete, this space became unavailable and alternate space was not adequate.

The Board Office, in conjunction with the University of Iowa, investigated a number of options for space, including continuing at the current location.

The selected site provides sufficient space and free parking at a lower lease rate than the current location.

**Area/Location**

6,185 square feet of office space located at 11260 Aurora Avenue, Urbandale, Iowa.

**Lease Rate**

The specifics of the lease rate (fixed rate plus utilities compared to base rent plus additional rent) are still being negotiated, but it is anticipated the rate will be approximately $7,725 per month ($15 per square foot, $92,700 per year). The University requests that the Executive Director be authorized to sign the negotiated agreement on behalf of the Board.

**Lease Term**

**Use of Space**

Board of Regents Office.

**Liability**

The University agrees to be responsible for claims arising from its use and occupancy of the space in accordance with Iowa Code Chapter 669.
