Contact: Robert Donley, Executive Director, 515-281-3934

On behalf of the Board of Regents, I want to express our support for President Ben Allen and the important steps he announced today that we believe will ensure the fiscal and academic integrity of the university well into the future. We are confident that President Allen's leadership and strategic vision for the University of Northern Iowa will continue to ensure the highest academic quality for our students.

The Board of Regents will meet in a telephonic session on Monday, February 27, at 1:00 p.m., to consider the recommendations of President Allen relative to the Malcolm Price Laboratory School.
