Dear Ms. Brunson,

I read the recent Press-Citizen article about the composition of the UI Presidential Search Committee with interest--noting that the Regents will be appointing two public representatives. I just this morning learned that public members were being solicited, and I regret that I have passed the stated deadline of February 12th. However, I am sending you this letter stating my interest, for what it's worth:

On January 2nd, I became a member of the public, having retired from 30 years of service at the University to become a real estate agent with Blank and McCune.

Over the course of my career I earned 4 degrees from UI (two music degrees, a law degree, and an MBA) and worked in a wide range of positions--first as secretary, then Hancher Box Office Manager, and subsequently, as Office Manager for the UI Foundation. After earning my law degree, I worked for 10 years as in-house counsel for then Director John W. Colloton, practicing health care law, and with major responsibility for legislative relations, including the forming of the grassroots lobbying group, "Friends of the UIHC."

Thereafter I worked as Assistant VP for University Relations, continuing my legislative relations work on behalf of the entire UI; developing a strategic communications plan for the UI; and serving as administrator for the public radio stations in a rejuvenation that resulted, among other things, in the creation of such programs as Talk of Iowa, and Know the Score. From there I worked as Special Assistant for then Vice President of Operations and Treasurer, Doug True--continuing legislative relations, drafting Regental correspondence, managing consultant reviews, searches, and conducting program reviews. In the Provost's office I continued to conduct program reviews and, in a one-year stint, worked in International Programs where I created a strategic communications program, that included the development of the program WorldCanvass, hosted by Joan Kjaer. Finally, I worked as Special Assistant to the Dean of the Law School, where I created an outreach and engagement brochure, wrote the self-study, and helped identify a consultant and a plan for heightened strategic communications, among other things.

I have a broad understanding of UI programs, fiscal challenges, policy issues, and faculty, staff, and student interests and needs. I also have a long-standing interest in, and knowledge of, UI, Regent, and statewide politics.

My deep love for this University began as a child, when my father was a faculty member in the UI School of Music, where he created the organ department. If you believe my knowledge and experience would be of any value to you, I would be delighted to serve on the search committee as a public member. But regardless, I wish you great success in this important endeavor!

Warm regards,
Gerhild

(Ms.) Gerhild Krapf

To whom it may concern:

I am submitting my name for consideration for the Presidential Search and Screen Committee.

I care a great deal about the University of Iowa. I have studied, worked and volunteered here. My involvement with the UI offers continued opportunities that make me a competent, informed, engaged citizen.

In recent years, the UI has increased its influence throughout the state, by actions like the formation of the UI Health Alliance and acquisition of AIB College of Business. It is essential that our next president understands the scope of the University's influence, and looks ahead to take advantage of opportunities that will help further its mission. In particular, I seek to help identify candidates that will collaborate with the Iowa Board of Regents and the Iowa Legislature. I want to ensure the Committee considers candidates that will strengthen University of Iowa's influence on the national and global stage, but make Iowa and its residents their top priority.

As a member of the Committee I could represent a broad range of interests. I enjoy varied UI traditions, from Hawkeye Game Day to concerts put on by the School of Music. I frequently reach out to members of the UI community. Often, I am curious about a researcher's new project. Other times I am responding to guest editorials featured in the Press Citizen.

The Committee needs an enthusiastic, spirited individual such as myself. I am deeply invested in the future of the University and in the state of Iowa.

Thank you for your consideration.

Subject: Iowa Presidential Search Committee - Ed Wallace - Urbandale, Iowa (Public Member)

Dear Ms. Brunson,

It would be an honor and privilege to be appointed by the Iowa Board of Regents to the University of Iowa (UI) Presidential search committee as a public member. I offer myself for consideration to this committee because my background, work experience, and ties to UI would add value to the process. As the search for a new leader begins, it is important to select someone who will collaborate, promote innovation, and bridge divides that exist within the University community and with external stakeholders. As a proud alumnus, UI is a special place that has limitless potential.

The University of Iowa must be at the forefront of aligning workforce, economic development, and global educational efforts. Iowa's new leader must have a strategic focus while understanding the total value that the University brings to the state and world.

My professional experience includes working in the United States Senate, United States Department of Justice, and the State of Iowa. I reside in Urbandale and am currently the Deputy Director of Iowa Workforce Development. I hold a Bachelor of Arts degree from Simpson College and an MBA from the University of Iowa.

Experience:

2000-2001 – Eckerd Youth Alternatives, Teacher/Counselor – Benson, Vermont

2002-2004 – Special Assistant to Chairman, U.S. Senate Committee on Finance (Grassley), Washington, DC

2004-2005 – Media/Public Relations, U.S. Department of Justice, Des Moines, Iowa

2005-2007 – Regulatory Compliance, Nationwide Insurance, Des Moines, Iowa

2007-2011 – President, Iowa Taxpayers Association, Des Moines, Iowa

2011-Present – Deputy Director, Iowa Workforce Development, Des Moines, Iowa

Thank you for your consideration.

Sincerely,

Ed Wallace

Linder

Brunson, Marcia R [BOARD]

From: Dave Linder <dklhawkeye@yahoo.com>
Sent: Thursday, February 12, 2015 2:17 PM
To: Brunson, Marcia R [BOARD]
Subject: University of Iowa Presidential Search

Dear Marcia,

I am writing to express my willingness to serve the University of Iowa by helping with the search process for a new president. My wife Katherine and I are University of Iowa graduates. We are lifetime members of the University Alumni Association and have been active contributors to the University Foundation. We have two sons who are currently enrolled as full time U of I students and our oldest son graduated from Iowa in 2009. My loyalty to and love of my school knows no boundaries.

For the past 14 years I have worked as a human resources director interviewing hundreds of job seekers and hiring over 300 people. I know how to read job applicants' body language, judge character and listen intently to answers to form an opinion about ability to perform the job at hand. A presidential candidate will have to possess excellent interpersonal and intellectual skills to succeed. I would enjoy the challenge of evaluating the strengths, values, and diplomacy of candidates to bring an outstanding human being to serve the students and faculty.

Prior to working in human resources I worked for 14 years in hospital and physician clinic management. My masters degree from Iowa is in hospital and health administration. I would like to think I have a pretty good understanding of health care and the UI's challenge of providing excellent patient services efficiently.

I can be reached at 712-830-8839. Thank you for your time and consideration.

Very truly yours,
Dave Linder

Re: University of Iowa Search Committee for University of Iowa President

Dear Ms. Brunson:

Please consider this letter my application for one of the at-large appointments by the regents for the search committee for a new University of Iowa president.

My name is Robert W. Hall. I am an attorney that has practiced law in Harlan, Iowa for the last 38 ½ years. I received my bachelor of business administration degree from the University of Iowa in 1973. I graduated from Creighton Law School in 1976. I feel that I am well qualified to serve for the reasons as I hereinafter set forth.

I have years of experience serving on public agencies and being directly involved in the hiring process of chief executive officers. I was elected to the Board of Trustees of Shelby County Myrtue Memorial Hospital in Harlan, Iowa and served from 1991 through 2008. I had the good fortune of serving for most of those years with fellow board member Mary Louise Petersen, former member of the Board of Regents. She was a wonderful mentor. During that time our board selected two chief executive officers in which I was part of the selection process.

I was a Governor's appointee to the Iowa Public Television Broadcast Board of Directors. I served on that board for thirteen years. For five of those thirteen years I was chairman of the board. I participated in the selection process of the current general manager, Molly Phillips. In fact, I was the chairman of the selection committee that hired Molly in 2012 after the long time general manager, Dan Miller, retired due to health reasons. Iowa Public Television is thriving and blossoming under Molly's leadership today.

Whether serving on the local county public health hospital board or Iowa Public Television, I thoroughly understand the process that a public agency must go through in selecting a new president. I understand nuances of open meeting law

and public record law as they apply to public agencies. I would also like to think that I have the savvy to understand and recognize the talents of prospective chief executive officer candidates.

The other major reason I think you should consider my application is that I have a strong passion for the University of Iowa. My wife and I are both University of Iowa graduates. My three children are University of Iowa graduates. My two son-in-laws and one daughter-in-law are University of Iowa graduates. Between eight of us we have eleven degrees from the University of Iowa. Also, my wife, my daughter and one of my son-in-laws have their varsity letters for participation in athletics at the University of Iowa. I want to see University of Iowa succeed and blossom. It is very important to me that the Board of Regents selects the right candidate to lead the University of Iowa into the twenty-first century.

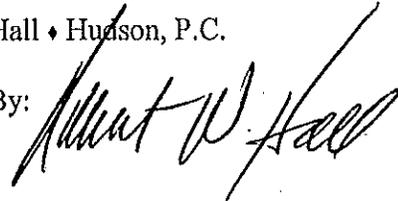

My wife and I have seven grandchildren. We anticipate that some of them will probably be students of the University of Iowa. It is very important to me that my grandchildren attend a university that has a very high academic standing. I want my grandchildren's degrees to mean something. The University of Iowa has had a long tradition of hiring very bright and articulate Presidents. I would like to be part of the process to see that tradition continue.

Thank you for your consideration of my application for appointment to the search committee.

Respectfully submitted,

Hall ♦ Hudson, P.C.

Subject: Member of the Public Appointed by the Regents

Ms. Brunson,

Would like to be considered for appointment to the University of Iowa Presidential search committee as a member of the public.

Believe that my background as Lead Director of Alliant Energy gives me the perspective for this position. During many years on the Board of Directors I was chair of the Nominating & Governance Committee. Of the eight current directors (David Purdue recently resigned when he was elected to the US Senate) only one was elected after my tenure.

My professional background includes 35 years (10 years as President/CEO at a Burlington Iowa Furniture Manufacturer and Distributor. I also was Senior Vice President of the largest furniture retailer in the US headquartered in Richmond, Virginia for 5 years.

My wife and I returned to Iowa in 2012 and it's great to be home again.

My contact information is below.

Marcia,

I read in Saturday's Des Moines Register, that the Regents are accepting nominations for serving on the search committee for the new President at the University of Iowa. I am submitting my name for consideration. Before retiring, I served as the Administrator for the Division of Community Colleges at the Iowa Department of Education. I have experience in working with all levels of higher education in the State as well as working with the Regents Office and State Government. My most recent formal work with the U of I was my work on an advisory board for the College of Engineering and serving on the Iowa Coordinating Council for Post-Secondary Education. On an informal basis, I am an alumnus of the University and stay informed on what is happening there.

From my background in higher education, I believe I understand the qualifications required of an individual who will be President of a major university.

If you require additional information about my qualifications, I am on LinkedIn.

Urbandale, IA 50322

Ms. Brunson:

I hold a Ph.D. in Sociology from the University of Iowa and would like to be considered for one of the public member positions on the University of Iowa Presidential Search and Screen Committee. Last summer I retired from the Legislative Services Agency, Iowa General Assembly after 32 years of service to the State of Iowa. While there, I staffed the Education Appropriations Subcommittee (2008-2011) with budget responsibilities for the Regents universities, special schools, and the College Student Aid Commission. Immediately prior to that assignment, I staffed the Education Standing Committee (2003-2007) doing the K-12 funding formula projections and examining related school finance issues. Before entering the University of Iowa graduate program, I was an instructor for five years at Northwest Missouri State University. I would offer the search committee an understanding of education finance and budgeting, issues facing higher education, the Legislature and legislative process, and knowledge of Iowa's education system from preschool through graduate school.

Thank you for your consideration. If you need any additional information or references, please let me know.

Sincerely,

M. Dwayne Ferguson, Ph.D.

DRAKE UNIVERSITY

COLLEGE OF BUSINESS AND PUBLIC ADMINISTRATION

To

Board of Regents,

State of Iowa
11260 Aurora Avenue
Urbandale, IA 50322

I would like to nominate myself to serve on the University of Iowa President Search Committee. With sincere appreciation, I welcome the opportunity to serve on this committee. Selection of the right person as the next President of The University of Iowa is critical to its mission. I believe my knowledge gained through almost 25 years of service to the Drake University gives me the understanding of the needs and the responsibilities of the President. In addition, I chaired the University Campus Committee (UCC) that worked with Board of Trustees Committee in picking the president of Drake University. I passionately share the mission and vision of The University of Iowa, and look forward to contributing constructively to the selection process. I describe below my experience that I believe qualifies me to serve on this important committee.

I moved to Iowa in 1990 when Drake University hired me as Assistant Professor of Statistics. I have served the university in various capacities at the departmental, college and university levels. I am currently a Principal Financial Group Distinguished Professor of Actuarial Science and Statistics. Until recently, I served as the Director of the School of Actuarial Science (SOAS), one of the largest programs on the campus. As a Center of Actuarial Excellence, the SOAS has gained national prominence and international recognition. As the Director, I worked closely with students, faculty, administrators, alumni, the National Advisory Council, and industry. In this role, I am also actively involved in various fund raising activities for the School of Actuarial Science.

I served the University in many other capacities as well. I was on the faculty senate several times and including the period when RPAC (Program Review of Academics Committee) recommendations were implemented. During my 25 years of tenure at Drake, I have served on more than 30 committees. Some examples of committees that I served on or Chaired are: Senate Budget Committee, CBPA Tenure and Promotion Committee, Academic Freedom and Tenure Committee (recently selected as the Chair), Benefits Committee, Actuarial Science Search Committee, etc.

My Ph.D. in Statistics (Texas A&M University) has given me the opportunity to collaborate with faculty from every major college at the Drake -- Business, Arts & Science, Education, Pharmacy, and Law. Through this process, I gained a keen appreciation for the high quality of education offered in other disciplines. In addition, my extensive involvement in interdisciplinary research projects with colleagues across the campus, give me a greater understanding of the research pursued in other disciplines.

As a Fulbright Scholar, I am also a strong proponent of globalization of educational experiences. I have traveled extensively outside of the US on various educational projects to South Africa, China, India, Mongolia, Germany, Ecuador, and Mexico. I visited South Africa several times pursuing various collaborative research projects. In my view, globalization is one of the key elements to the continued

growth and success of the university in the 21st century. I am committed to support the multidisciplinary mission, cultural inclusiveness, and globalization of the university.

In summary, I believe that the breadth of my experiences at the University in administrative processes, Faculty Senate System, fiscal matters, and global education afford me an excellent background to serve the university as a member of this selection committee. In addition, my experience as the Chair of the UCC is an asset as I deliver my duties diligently in the deliberations on this committee.

I look forward to assisting the The University of Iowa President Search Committee in this capacity.

Marcia Brunson
Policy and Operations Officer
Board of Regents
State of Iowa

Dear Ms. Brunson,

Please accept this email in application for the University of Iowa's Presidential Search and Screen Committee.

I would be very interested in serving on this committee. I have participated in numerous search committees in the past, including the Directorship of the Museum of Art at UI. I have an abiding affection for the University of Iowa, and am very hopeful for its continuing excellence.

My background includes the Directorship of Hancher Auditorium(1986 - 2001), as well as teaching Acting, Directing, and Arts Management in the UI Theatre Department. I have guest taught in the Honors Program, the Dance Department, Leisure Studies, Journalism, Sandy Boyd's not for profit courses in the Business School, as well as several courses in the Literature, Science and the Arts curriculum.

I received the Award for Staff Excellence from the Board of Regents in 1999. My wife, Karen, and I are members of the President's Club. My academic background includes a B.A from Dartmouth College, and an M.F.A from the East-West Center at the University of Hawaii, as well as doctoral studies at the University of Minnesota. Other work experience includes the Executive Directorship of the American Ballet Theatre, and the Paul Taylor Dance Company.

I would appreciate your consideration of my candidacy for this important committee.

Wallace Chappell

This e-mail, including attachments, is covered by the Electronic Communications Privacy Act, 18 U.S.C. 2510-2521, is confidential, and may be legally privileged. If you are not the intended recipient, you are hereby notified that any retention, dissemination, distribution, or copying of this communication is strictly prohibited. Please reply to the sender that you have received the message in error, and then please delete it. Thank you.

1. Background

I have degrees from the University of Iowa: BBA and Juris Doctor. I am a senior vice president at West Bank.

2. Commitment to the University of Iowa

I am a contributor to the University of Iowa Foundation and have supported Hancher, Museum of Art, Athletics, Colleges of Business and Law, etc.

I served on the Dance Marathon grant committee, served on the UIHC Friends Council. Further, I led the effort to create the UIHC Children's Hospital-Kirk Ferentz luncheon which has raised over \$100,000. In 2012 I led the effort to create the Fran and Margaret McCaffery Coaches vs Cancer charity event for the Holden Cancer Center which has raised over \$200,000.

3. Corridor Involvement

I have served as President of the Iowa City Area Chamber of Commerce and the Iowa City Noon Rotary Club. Currently I serve on the Board of the Salvation Army, the Iowa City School District Foundation Board, and Kirkwood Community College Facilities Foundation Board.

4. Philosophy

Economic growth is based on our ability to recruit and retain talented people, as described by Richard Florida in his book The Rise of the Creative Class. Accordingly, I strongly support and applaud the University of Iowa taking a leadership role throughout the state of Iowa to encourage and support the growth of local businesses.

To achieve economic growth I believe that we should be welcoming to all people and create a climate and attitude to encourage diversity, defined broadly. Our future in Iowa is very bright and we can grow our state by retaining our committed and talented young people.

5. Summary

The University of Iowa needs to continue to take a leadership role in providing a quality education for an affordable cost and to actively assist and lead economic growth.

Re: Nomination from the Public for the Presidential Search and Screen Committee

It's with great pleasure that I submit my application to serve on the Presidential Search and Screen Committee. When I moved to Iowa City I was impressed with the many ways the University and the community of Iowa City connect.

As I have served on the Iowa City Human Rights Commission for the last four years, I felt it a natural fit to extend my work to the University in this area. As a result, I serve on the University Center for Human Rights and am currently vice-chair of that advisory board.

My other community involvement includes Liveable Communities Advisory Board, Council for International Visitors to Iowa City (CIVIC), and the Johnson County Para-Transit committee.

I've gladly served on these boards and commissions to foster the growth and development of our community and further its ongoing relationship with the University. It is my hope that continuing this strong relationship is a priority for the new president.

I earned my B.S. degree in education from the University of Wisconsin-Milwaukee. I am retired and have interests in politics and the advancement of human rights. As a disabled person, I use a wheelchair for mobility.

I look forward to participating on the search committee for a new UI president.

Re: University of Iowa Presidential Search and Screen Committee

Please accept this application to become a public member of the University of Iowa presidential search committee. I am an educator with more than forty years of experience, including twenty-two years in the classroom (K-14) and another two decades in school administration as a principal and associate superintendent. Thirty of those years of service were in the State of Iowa. My academic credentials include:

- Bachelor of Music Education, Morningside College
- Master of Science in Education Leadership, Iowa State University
- Ph.D., Teacher Education and Staff Development, Colorado State University.

Currently, I run a private voice studio, am the director of music at a local church, and volunteer as a quilt maker for Lutheran World Relief charities. Recently, the Johnson County Board of Supervisors appointed me to a second five-year term as a member of the Johnson County Judicial Magistrate Appointing Commission. Additional examples of public involvement include serving as the President of the Iowa Choral Directors Association and a member of the Linn County Rural Electric Cooperative Board of Directors nominating committee.

I have resided in Iowa for more than six decades and have enjoyed living in this vibrant community for fourteen years. Serving on the search committee would be a welcome personal challenge and allow me to be involved in this important project as a way to serve the community.

Subject: Chad Barnard, UI Presidential Search and Screen Committee Nomination

Ms. Brunson,

I would like to nominate myself, Chad Barnard, to be appointed by the Iowa state Board of Regents to be a member of the UI Presidential Search and Screen Committee. I graduated from the UI's Tippie School of Business in 2002, earning a BBA, with honors. I was the President of Phi Kappa Psi fraternity, the first leader of the Hawk's Nest student section for men's home basketball games and Homecoming King. After graduation, I worked in finance for American Express in Minneapolis and received an MBA from Washington University in St. Louis while working in the mergers & acquisitions group for Anheuser-Busch. In 2007, I moved back to Des Moines where I grew up and have been a member of the Iowa Alumni Association, I-Club and have great personal and public interest in who is selected as Sally Mason's replacement.

I now live in Waukee and work in Des Moines for Meredith Corporation as their Director of Corporate Development. I evaluate companies and their leaders on a daily basis to determine if they are an appropriate fit for investment or acquisition. It is also my job to communicate the strategic and financial benefits or risks to Meredith's executive team. I would like to use these skills to assess candidates that want to lead the University of Iowa, while gaining valuable experience from interacting with the other members of the committee.

I can be reached by phone at 515-447-5891 or via email at chadebarnard@yahoo.com.

Regards,
Chad Barnard

To: Brunson, Marcia R [BOARD]
Subject: public member of UI President Search Committee

Dear Ms. Brunson:

I would like to be considered to serve as a public member on the UI President Search Committee. I attended the UI and am genuinely interested in its future. I am Assistant to the Chairman of Pediatrics at UI, where I also oversee searches for Division Directors in our Department. I previously worked at UCLA in positions of assistant to a Department Chairman, assistant to the Dean of Research, and assistant to the Senior Vice Chancellor of the entire Campus. While in the School of Medicine Dean's Office, the Dean personally requested that I staff the search for a Chairman of Pathology because of my professionalism and work ethic. Thus, I have been part of many recruitments in academia.

My husband and I are members of the UI President's Club. He is disabled with brain injury, brain tumors and impaired vision. Since moving to Coralville in 2008, I have become active with brain injury education and advocacy and serve on the State Board of Directors of the Brain Injury Alliance of Iowa and am Treasurer of the Board.

I have worked with highly confidential issues in each job described above and realize confidentiality will be crucial for serving on your Search Committee. A University President greatly influences the institution's direction and reputation. I will be dedicated to the Committee's task of recruiting the very best person for our next UI President.

Thank you.

Subject: UI Presidential Search and Screen Committee

Please consider this my application to serve as a community representative on the University of Iowa Presidential Search and Screen Committee. My qualifications include abilities to effectively participate on multi-disciplinary teams, develop and ask questions to elicit detailed responses, and evaluate qualified leadership candidates. I am also committed to education and its role in economic development for Iowa City, particularly downtown, and the State of Iowa.

My communications, listening, and leadership skills have been honed by professional and volunteer experiences. As a member of the Iowa City Public Library management team since 2004, I am proficient in hiring public sector professionals. My earlier career as a journalist and newsroom manager well prepared me to remain impartial while successfully interview diverse individuals in a variety of situations.

I am an Iowa native, Wellesley College graduate, and proud parent of students at The University of Iowa, and Iowa State University. I serve on the Iowa City Downtown District Board of Directors and was on the hiring team for our current Executive Director. As an active volunteer with other nonprofit organizations, whether leading or following, I can collaborate and practice discretion.

Decisions made by the next President of The University of Iowa will impact many lives and the economic well-being of my community and communities statewide. I would be honored to work to provide the Board of Regents with a candidate who is the best qualified to make those decisions.

Thank you for your consideration.

Board of Regents

Dear Robert Donley, Executive Director,
Board of Regents, State of Iowa

Attached please find a brief summary (250 words) detailing my qualifications to offer my service on the committee to screen candidates seeking to become the next President at The University of Iowa.

With Kindest Regards,

Ruth Kunkle, MS
President-Elect IDEA
Adjunct College Instructor

February 11, 2015

Marcia Brunson, Policy & Operations Officer

Re: Nominees for Presidential Search

Dear Robert Donley, Executive Director
Board of Regents

To the Board of Regents, State of Iowa; I am pleased the Board has opened this opportunity for me to submit a brief summary outlining my credentials to serve The Board of Regents, The University of Iowa administration, staff, faculty and students, as well as, the State of Iowa. My name is Ruth Kunkle, I graduated from Drake University in the Department of Education. I received my Master of Science degree in Adult Learning and Organizational Performance with an emphasis in Higher Education.

As a graduate student at Drake my concentration was focused on a quantitative study to determine the effectiveness of developmental courses at the post-secondary level. Whereas my findings were undetermined, I have found developmental/preparatory educational courses an area of interest. Reviewing the effectiveness of developmental education has encouraged my involvement with the Iowa Developmental Education Association (IDEA). As President-Elect, I am honored to serve with dedicated professionals in higher education; as we provide scholarships to eligible students.

I am currently teaching a Freshmen seminar course with Buena Vista University. Previously, I have had the privilege to instruct The College Experience course for non-traditional students attending Des Moines Area Community College - the Newton Campus. My background as an Adjunct GED instructor inspired me to recommend several GED students transition & continue their formal education; seeking a degree.

With Kind Regards,

Ruth Kunkle, MS
President-Elect IDEA

Hi Marcia ---

Born and raised in Iowa City, and as a fourth generation U of I grad, I have deeply-rooted interests in the well-being of my hometown and alma mater. I've had the pleasure of knowing several Iowa presidents – Willard Boyd (my graduating class was his last), David Skorton, Gary Fethke, and Sally Mason. As the Regents university presidents are members of the Iowa Business Council, I am also quite familiar with leadership on each campus. ISU and UNI have made great, dynamic hires in recent years, and Iowa is now challenged to do the same. What to look for in candidates? A warm, inspiring, unpretentious personality; forward looking, creative, and fearless outlook; and – maybe most importantly – savviness to pursue, nurture, and hone the key social and business relationships needed for the school to remain attractive to students and competitive among its peer institutions, not just today but for decades to come. It's a new day with a shifting paradigm for higher education. Given my personal connection to Iowa, as well as professional experience in business and government, I have much to offer this process – for which I humbly yet enthusiastically submit my name in nomination.

Contact information is below. Thank you.

EXPERIENCE

Iowa Business Council – Executive Director.

Des Moines, IA. 2005-present

Chief executive of non-partisan, non-profit business policy development association. Focus the personal commitment of the CEOs of Iowa's largest corporations and public universities in active leadership roles on major policy initiatives to enhance the overall economic vitality of the state. Identify issues for critical review, analyze possible courses of action, weigh likely outcomes, and launch initiatives in pursuit of effective solutions, generally in the context of public/private partnerships and collaborations. Primary contact and liaison with the Governor's Office, legislative leadership, State agency heads, and other key policymakers to achieve desired outcomes. Represent the Council on numerous external boards, committees, and advisory groups involved with economic development, workforce, education, health care, biotechnology, Lean Enterprise, advanced manufacturing, entrepreneurial formation, and disaster preparedness.

Executive Director maintains a thorough understanding of public policy while utilizing a network of experts to serve as a resource for Council matters. Develop marketing material, produce guest editorials, and execute communication with Council members, allied professional organizations, and the media. Lead spokesperson for interview requests and public presentations. Oversee all aspects of budget development and office management. Plan and coordinate quarterly Board and Deputy Committee meetings, annual events, special conferences, and issue-specific committee meetings. Web site: www.iowabusinesscouncil.org

Iowa Utilities Board – Board Member.

Des Moines, IA. 2002-05

Appointed by the Governor of Iowa, confirmed by the Iowa Senate to serve full-time on three-member utility regulatory authority within the Department of Commerce. Board oversees electric, telecommunications, natural gas, and water company operations, ensuring that reasonably priced, reliable, and safe utility services are available to all Iowans. Contested cases are heard in a quasi-judicial capacity. Board Members review, authorize, and implement a \$3 million annual budget and coordinate administrative oversight of 75 full-time employees. Produce briefing papers for and make presentations to the Executive Branch, Legislative Leadership, and industry organizations on utility-related issues. Appointed to numerous federal, regional, state, and industry boards, committees, councils, and advisory groups (*listing available upon request*).

Iowa Taxpayers Association – President.

Des Moines, IA. 1999-2002

Chief executive of non-partisan, non-profit organization that develops positions and advocates for fair, effective, and predictable corporate tax policy in Iowa. Handled all aspects of day-to-day operations. Directed government affairs and policy development (*summaries of legislative and regulatory accomplishments available*), served as figurehead and spokesperson for the association, and was principal liaison with the Office of the Governor, leaders of the Iowa General Assembly, and key personnel of State executive branch agencies. Provided timely, accurate information on legislative initiatives and regulatory proposals (*examples available*), produced guest opinion pieces for statewide media, successfully developed and implemented a regionally focused membership recruitment and retention program, and facilitated value-added activities for members.

Iowa Association of Business and Industry - Vice Pres., Govt. Relations. *Des Moines, IA. 1997-99*

Represented 1,800+ association members on legislative and regulatory matters affecting employers and their workforce. Effectively communicated critical policy positions to federal and state policymakers, elected officials and their aides, civic groups, and local chamber and economic development organizations. Utilized an extensive association committee structure to construct proactive policies and legislative objectives. Reviewed and analyzed bill drafts, journals, and committee reports generated by the Iowa General Assembly and U.S. Congress, along with legislative action from other states to determine impact on Iowa business and recommend appropriate courses of action. Coordinated association's political action committee and election preparation process. Worked with allied interest groups to engage strategy on issues of mutual concern. Fulfilled media interview requests, authored position papers and guest editorials for publication. Participated in association convention and special events.

Iowa Dept. of Economic Development – Legislative Liaison & Policy Planner. *Des Moines, IA. 1995-97*

Facilitated planning, development, and implementation of Department legislative and public policy goals.

Responsibilities included:

- ***Promote budget priorities and policy objectives of the Governor and Department.*** Crafted economic and workforce development public policy. Represented the Department at policy development negotiations with issue stakeholders and elected officials. Drafted and coordinated the submission of legislation to the Iowa General Assembly, developing background information and position papers for use by legislators. Attended applicable committee meetings, responded to legislator inquiries, and monitored House and Senate floor debate. *Summaries of legislative accomplishments available.*
- ***Communicate the Department's position on key issues.*** Served as principal liaison to the Governor's Office, House and Senate leadership, committee chairs, legislators, staff, and other relevant state and federal government departments and agencies. Conveyed progress of programming initiatives in public forums, e.g., Governor panels, legislative committees, civic groups, chambers of commerce, and economic development group meetings. Responded to inquiries from legislators, their staff, other government agencies, the media, and the public.
- ***Review all legislative proposals filed with the Iowa General Assembly.*** Analyzed every bill draft and advised Department Director of potential impact on Iowa's business community. Identified significant issues and coordinated appropriate strategies to positively influence economic development policy in Iowa during the next Session of the General Assembly.

Law Office of Michelle F. Kantor – Associate Attorney.

Chicago, IL. 1994-95

Civil law practice in commercial litigation and transactional matters. ***Responsibilities included:***

- ***Trial preparation.*** Verdict returned in favor of client in suit alleging breach of commercial lease agreement.
- ***Business formation.*** Developed a limited partnership stock repurchase agreement, and filed financing statements relating to guaranty agreements under the Uniform Commercial Code.

Arnstein & Lehr – Associate Attorney, Litigation Section.

Chicago, IL. 1993-94

Civil law practice in commercial litigation. ***Responsibilities included:***

- ***Case management.*** Assisted lead attorneys in class action defense, arbitration, contract, landlord-tenant, real estate, employment, international, product liability, insurance, and personal injury lawsuits. Regularly appeared in state and federal court to argue motions and secure judgments. Participated in pretrial conferences and engaged opposing counsel in settlement negotiations.
- ***Research and writing.*** Produced answers to complaints, motions to dismiss, summary judgment motions, federal court appellate briefs, discovery documents, affidavits, and client correspondence. Prepared for and assisted in the taking of depositions. Conducted interviews with clients and witnesses.

U.S. Eighth Circuit Court of Appeals – Law Clerk to the Chief Judge, the Honorable Donald P. Lay.

Saint Paul, MN. 1991-92

Conducted extensive research and drafted opinions, orders, and memoranda of law pertaining to criminal and civil cases on appeal before the Court. Appointed lead clerk on major state legislative and congressional decennial redistricting case contested in Minnesota (*Emison v. Growe*, 782 F.Supp. 427 (D.Minn. 1992)).

Responsibilities included:

- ***Comprehensive research.*** Analyzed historical foundation of the federal Voting Rights Act, related Articles and Amendments to the U.S. Constitution, and Minnesota redistricting case law.
- ***Liaison and coordinating assistant.*** Served as legal liaison for Federal three-judge panel to the Minnesota Supreme Court hearing similar redistricting case. Coordinated activities and facilitated meetings of the Special Masters panel appointed by the federal court. Received and responded to inquiries made about the case by government officials, the media, and the public.

Schenker International Freight Forwarders, Inc.

Bensenville, IL. 1984-88

Schenker is a world leader in the cargo transport industry, providing an integrated global network of full-service freight forwarding facilities in more than one hundred countries on six continents. Started in the Chicago-area office (Midwest Region headquarters) as an entry-level ocean export documentation clerk and progressed to Iowa office branch manager within three years. Each position held required knowledge of and timely adherence to extensive foreign and domestic government trade agreements and restrictions.

- **Branch Manager, Des Moines – 1987-88** Initiated and implemented sales and service program for international businesses in Iowa and Nebraska. Developed office operations for staff. Office became a profit-making entity 17 months ahead of schedule.
- **Sales Representative, Cedar Rapids – 1986-87** Opened field office to represent the company to customers in Iowa. Coordinated sales efforts with minimal supervision of home office. Built sales to levels that justified establishing a permanent, autonomous, full-service office in Des Moines.
- **Other positions held, Bensenville – 1984-86** Air Import Entry Writer, Air Import Traffic Coordinator, and Ocean Export Documentation.

Iowa Legislative Service Bureau – Research Analyst.

Des Moines, IA. 1983-84

Served as non-partisan staff for Iowa General Assembly members, drafting language for all bill requests submitted by legislators and State government agencies. Conducted research on and produced detailed legislation for business and environmental issues. Constructed and summarized proposed statutory language within the context of current statutes and administrative rules to accomplish the legislative intent. Provided information on the status of legislation to government agencies and the public.

EDUCATION

Vermont Law School - South Royalton, VT. Juris Doctor, May 1991.

- Academic Excellence Award recipient, 1991
- Student Bar Association representative, 1988-89
- Vermont Legal Research Group member, 1990-91
- International Law Summer Program in England – College of William & Mary School of Law, 1989

Bar Admissions: State of Illinois; U.S. Seventh Circuit Court of Appeals; and, U.S. District Court, Northern District of Illinois

University of Iowa – Iowa City, IA. Bachelor of Business Administration, double major in Management and Industrial Relations, May 1981.

- University of Iowa Distinguished Service Recognition Award recipient, 1980
- Homecoming Parade Director, 1980
- Panhellenic Executive Committee, 1980-81

VOLUNTEER EXPERIENCE

- United Way Leadership In Action 2007-present; Education Cabinet 2011-present

Marcia Brunson
Policy and Operations Officer
Board of Regents – State of Iowa

Dear Ms. Brunson:

Please consider my application to serve as a Community Member on the UI Presidential Search and Screen Committee.

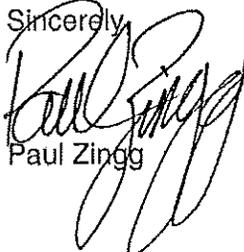

I grew up in Ames, Iowa, where my father was a professor of Computer Science and Electrical Engineering at Iowa State University. After graduating from Ames High School in 1981, my father advised that I had the choice of staying at home and attending ISU or going to the University of Iowa. I chose not to stay at home.

I received my undergraduate Bachelor of Arts Degree from the University of Iowa in 1985 in Political Science and Spanish. I graduated from the University of Iowa Law School in 1988 and received a J.D. degree. I practice law in Ottumwa and Southeast Iowa.

My eldest daughter is a sophomore at the University of Iowa in the Honors Program. My wife also has her undergraduate degree in Education from the University of Iowa.

I have experienced both undergraduate and graduate programs at the University of Iowa and I have enjoyed the opportunity to be involved as a parent with a current University of Iowa undergraduate student. I have also attended the prospective student program at the UI with my youngest daughter, a high school junior. I would bring those qualifications as a member of the Search Committee.

Sincerely,

Paul Zingg

Please consider Rita T. Marcus for membership on the University of Iowa Presidential Search and Screen Committee. Ms. Marcus has resided in Iowa City and now Coralville since 1985. She has a native's love for Iowa, Iowa City and the University. Her strong connection with and knowledge of the community developed from her work as a Realtor. A significant part of that work has been introducing candidates for College of Medicine faculty to Iowa City. Her infectious love of the city and the University has been persuasive for candidates and their spouses. She particularly values what she learns from these candidates and her personal relationships with College of Medicine leadership and other faculty. Cooperation with College of Medicine search committees has honed her skill of courteously maintaining confidentiality for sensitive information.

Her support of the University goes beyond her professional connection. She supports the Melvin Marcus Scholarship at the College of Medicine, is member of the President's Circle and served on the Hancher Board. Her children include holders of undergraduate and graduate degrees from the University. Her community leadership roles reflect her ability to work cooperatively with her peers. She was president of the Iowa City Area Board of Realtors, after serving on it board for many years, and was chosen as Realtor of the Year. She was active in the Heart Association of Iowa City, having managed its annual fund raising dinner. She served as president of Agudas Achim Congregation and is a member of its rabbi search committee.

Sent: Monday, February 09, 2015 1:12 PM
To: Brunson, Marcia R [BOARD]
Subject: Presidential Search and Screen Committee

Ms. Brunson:

I am writing to request consideration as a member of the Presidential Search and Screen Committee.

I feel I would be an asset to the Committee because as follows:

- 1) I am an alumnus of the University of Iowa law school.
- 2) I served on the Wartburg College Board of Regents and as Alumni Board President. I also served on the Search Committee for Wartburg's current President, Darrel Colson.
- 3) I am an employee of the University of Iowa Foundation, but am relatively new (since August 2014). I have a strong connection to the University, but can offer a fresh perspective.
- 4) I have two high-school-age college-bound children. Furthering the University's outstanding reputation and quality product is of paramount importance in Iowa.
- 5) Although I am a current employee of the Foundation, I was a private practice self-employed attorney for sixteen years prior to my current position, and was an associate attorney for a private firm as well as a part-time county attorney for my first four years out of law school. My varied employment background enables me to offer a unique broad-based perspective to the committee, drawing on my work in the private, corporate and government sectors.
- 6) I was born and raised primarily in Iowa and have spent my entire career in Iowa.
- 7) I have lived in four states and was educated at six different institutions.
- 8) I have served on numerous boards and committees in Iowa throughout my career.

Thank you for your consideration.

February 9, 2015

Marcia Brunson
Board of Regents
11260 Aurora Avenue
Urbandale, IA 50322

Dear Ms. Brunson:

I would like to submit my name for consideration for appointment as one of the two public representatives on the University of Iowa Presidential Search and Screen Committee.

Summary of Qualifications

I earned a B.A. in Political Science from the University of Iowa in 2000. My experiences on campus and the mentoring I received from faculty while there were very influential on my future career. At present I own and operate three diversified businesses concentrating in public affairs consulting, digital printing and mailing services, and fundraising development with a special emphasis in non-profit development. We have locations in West Des Moines, Iowa and Washington, D.C.

The commitment to the university engendered by my undergraduate experience led me to continue my association with it in the time since. I am proud to be a member of the University of Iowa Presidents Club and Kinnick Society, and to have endowed, a few years ago, a scholarship to help support student athletes at the university (Nicholas T. Ryan Family Athletic Scholarship). This last fall I welcomed and enjoyed the opportunity to be a guest lecturer in a political science course offered at the university.

I am excited by the potential of the university. Both as an alumnus and as a parent, I want to do all I can to equip the university to achieve its goals and to reach new heights of academic excellence. I really do love the University of Iowa, and would be honored to play a part in helping to select its next leader.

My contact information is as follows:

Nicholas Ryan
Office: (515) 282-3000

Sent: Tuesday, February 10, 2015 11:53 AM
To: Brunson, Marcia R [BOARD]
Subject: nomination for UI search committee

Ms. Brunson-

I would like to submit my name for consideration for appointment as a public representative on the UI Presidential Search and Screen Committee.

I currently work as the President of Kern River Gas Transmission Company, a subsidiary of Berkshire Hathaway Energy (BHE). At 43 years of age, I am the youngest President in the sixteen BHE companies. In my career I have worked for a manufacturer, an engineering services company, and two utility companies. I have worked for small companies and large companies, and have worked in four different states. I think this diverse experience gives me good perspective to utilize as a member of the search committee. I think that my age is a nice bridge between some of the Board of Regents on the search committee and some of the student members.

I am an Iowa native, having grown up in rural Oakland, Iowa. I am the son of an elementary school principal and the spouse of an elementary teacher. Due to my dad's and my wife's profession, I have a passion for education. I am also passionate about the University of Iowa. My wife and I both graduated from the UI, as did four of my siblings. I have an undergraduate degree in Mechanical Engineering (BSE 1996) and an MBA (EMBA 2009). We are a proud Hawkeye family!

I would welcome the opportunity to talk with you about my qualifications, and would be excited to serve on the committee. My contact information is shown below.

Best regards,

Matt Finnegan

Addy

From: claudia addy <docky@msn.com>
Sent: Tuesday, February 10, 2015 1:25 PM
To: Brunson, Marcia R [BOARD]
Subject: Application summary of qualifications to serve as community member on the UI Presidential Search and Screen Committee.

My name is Dr. Claudia Addy
3818 Pleasant St
Des Moines , Iowa 50312
515-255-3780
docky@msn.com

I am a single female of retirement age, a graduate of University of Iowa with a BGS, and a lifelong student well-suited to practice medicine with the continuing medical education requirements. Happily my experience at U of I created a sort of "monster" with an almost insatiable need and appreciation for continuing experiences in science, art, and literature. As such, I have had and continue to enjoy a wide breadth of experiences which could bear favorably on my ability to serve on this search and screen committee some of which I shall list below. I will forego sending a Curriculum Vitae since this was not mentioned but would be available.

1. Member of Ray Society-an organization started by Gov. Ray in support of lifelong learning.
2. Conducted seminar for Ray Society regarding Great Ape trust Bonobo group
3. Mentor to young people earning scholarship and experience in medicine as possible entre to career in science or medicine.
4. Community projects ranging from gardening, garbage pick-up along highways and avenues. Census taking to determine need and use of bike and walking trails.
5. Care and support of Bonobos at Great Ape Trust with Dr. Sue Rumbaugh.
6. Written nominating paper for candidate for World Food Prize currently under consideration.
7. I have run my own business for many years and I have also worked for others and had many promotions. I am proud to say that I mostly recall succeeding at whatever I try-and do not believe this involves lapse of memory!

I believe I have related a variety of experiences showing that no task is too menial or above my "pay" grade.

In summary, if chosen I will enter the process without preconceived notions of what the next UI President should "look like" with a couple of exceptions involving character issues. I will strive to work well with others; to understand others points of view; to perform tasks in a timely manner; to engage in meaningful debate and resolve conflict amicably.

Thank-you for consideration
Once again

full bio: andystoll.net/about

Andy Stoll

Andy Stoll is a community leader and serial entrepreneur based in Iowa City where he currently serves as the co-founder of Seed Here Studio and the Iowa Startup Accelerator. Seed Here Studio's work to build Iowa's entrepreneurial ecosystem has been featured in The New York Times, The Wall Street Journal and The Washington Post.

Andy formerly served as the University of Iowa Student Body President (2000) and Vice-President (1999) and received the University of Iowa's 2003 Hancher Finkbine Medallion, the highest award the University bestows on its students.

Andy was named by the Corridor Business Journal as one of the "Top 25 Most Influential Business Leaders" (#23) in the Cedar Rapids/Iowa City Corridor, at the age of 34. Andy co-founded The James Gang, a social entrepreneurial incubator that was named the Iowa City Press Citizen 'Person of the Year,' as the individual or group that had the largest impact on the community (Andy served as co-founder and as board chair).

Andy holds a BBA with honors (2003) in Business Management from the UI Tippie College of Business, a BA with honors (2003) in Communications from the UI College of Liberal Arts, and a Certificate in Entrepreneurship (2005) from the UI John Pappajohn Entrepreneurial Center.

Andy delivered the 2013 UI College of Liberal Arts Commencement Address; has served on a number of search committees at the University of Iowa; and spent two years working as a research assistant to former University of Iowa President Sandy Boyd.

Re: University of Iowa Presidential Search

Hoping to serve the residents of Iowa, my familiarity with academic searches is rather extensive, at both public and private Universities. Having vetted candidates from provosts to athletic directors, academic vice presidents to chaplains, faculty, staff and program directors, I'm well-equipped experientially. My engagement heretofore with the University of Iowa has been in the initial offering and continuation of the Okoboji Entrepreneurship Institute (OEI) held each summer at the Iowa Lakeside Laboratory in West Lake Okoboji. But I welcome the opportunity to be considered as a member of the Regent's University of Iowa Presidential Search team.

My allegiance to my alma maters (PhD, Purdue; MS, Iowa State; BA, Buena Vista), both financially and as an alumni association life member, in no way limits my service to the Regents, the University in Iowa City, and all Iowans. Instead, I feel quite eager and capable of contributing constructively having served as a teaching economist, program administrator, school dean and faculty senator (currently, senate chair-elect) over my 30-year career. My complementary roles as a visiting professor at Iowa State (fall, 2000), University of Waikato/NZ (winter, 2001), Cal Poly-SLO (fall, 2009) and aboard the *MV Explorer* in the University of Virginia's Semester-at-Sea program (spring, 2013) have also provided me a peek at how some other Universities operate. I've learned much and (humbly) have a fair amount to offer.

Please consider this submission seriously. If you've any questions, contact information is provided above. Thank you.

Brunson, Marcia R [BOARD]

Beaty

From: Larry Beaty <ldbeaty6@gmail.com>
Sent: Sunday, February 08, 2015 1:39 PM
To: Brunson, Marcia R [BOARD]
Subject: Search Committee Application

I would like to apply to be one of the community members of the search committee for the new President of the University of Iowa.

Larry D. Beaty, M.D.
9178 Canyon Street
West Des Moines, IA 50266-8572
Phone: 515-250-3471
e-mail: ldbeaty6@gmail.com

I was raised on a farm near Marshalltown and graduated from Marshalltown High School in 1965. I received a BA from the U of Iowa in 1969 and was inducted into Phi Beta Kappa. I received an MD degree in 1973 from the U of Iowa Carver College of Medicine. After residency in Pennsylvania, I returned to practice Family Medicine in State Center for 10 years. I then joined Broadlawns Medical Center as faculty of University of Iowa affiliated Family Medicine Residency in 1984. I became Residency Director in 1991 - 2006. During that time, I was a faculty member of the U of Iowa. I then formed a new medical practice with the Marshalltown Hospital and retired after 7 years there. I am still active in medicine and work part time. I have been active in organized medicine as well. My wife and I have always been involved in the communities in which we live as well.

During my career I was always involved with education - mainly of Medical students and resident physicians. I worked extensively with the Department of Family Medicine. I worked with the Dean's office of the Carver College of Medicine in helping to establish and operate the Des Moines Medical Education Consortium. It was my privilege to help train many Family physicians in the state of Iowa.

The academics of the University are very important to me. I follow the University through the Alumni Association and the news media.. We have also been financial supporters.. I have also supported University Athletics programs as a fan and financially. Being involved in planning the future of the institution is important to me. Both of our children received undergraduate and graduate degrees from the U of Iowa. It is our hope that our grandchildren will benefit from an excellent education there as well.

I am very committed to the University of Iowa and would be honored to serve in the screening and selection of the new President. I am able to spend the time that would be required.

Thank you for considering my application.

Sincerely,
Larry D. Beaty, M.D.

Subject: Presidential search committee nomination

Dear Board of Regents members,

I would like to nominate myself, John Skoog, for the position of public representative on the Presidential Search and Screen Committee for the University of Iowa. I have been an anesthesiologist in Des Moines, Iowa for 14 years and have a great interest in preserving, promoting, and improving the great academic opportunities we have in our state. During medical school, I was the student Regent for the University of Nebraska Medical Center. In this position, I had the opportunity to interact with the Board of Regents in a variety of efforts, including the search and hiring of a new Chancellor for the medical college. I believe this experience could be beneficial to the search committee. Please do not hesitate to contact me if there are additional questions or if references are needed.

Sincerely,
John Skoog, M.D.

Dear Dr. Robillard:

Congratulations on your appointment as chair of the University of Iowa presidential search committee. This is a significant juncture and it is clear from your selection that the Regents are taking the process seriously.

Beginning with the 2008 flood, the University and the City of Iowa City have strengthened their relationship and collaborated on numerous transformative projects around campus and throughout the community. From capital investments to downtown ventures to student-related programming, the cooperation between town and gown is strong -- and it is critical to our shared success.

Many opportunities and challenges await the next president of the University of Iowa. For example, the ongoing expansion of enrollment and campus will impact housing, transportation, and other community considerations and will require careful planning and execution. The City is eager to continue its partnership with the University on these and other issues.

As mayor I would be honored to serve on the presidential search committee. I believe that my participation on the committee would enhance community input and help the City of Iowa City establish a productive relationship with the next president.

Thank you for your consideration of this offer.

Regards,

Matt Hayek
Iowa City Mayor

Hi Marcia,

I would nominate David Mason, Sr. a SUI double alumni, UG and Law school. He is currently the Chair of the UNI Foundation Board of Trustees and has experience on our Presidential Search Committee and also our VP for Advancement Search Committee.

In addition, I would nominate Simon Estes renowned baritone, partner at all three Regent Universities, and great Iowan.

Thx

Bill

Subject: Ui Presidential Search Committee Community Member Application

Dear Members of the Iowa Board of Regents -

I am writing to express my interest and willingness to serve on the University of Iowa Presidential Search and Screen Committee. My interest in serving is tied to several "hats" that I wear. In my opinion, the most important is my role as Mayor of Coralville. My city, as does our neighbors, enjoys a mutually beneficial partnership with the University. Many critical aspects of University operations are tied to our cities such as public safety, housing, traffic, and economic development. I am very proud of the cooperative relationship that Coralville enjoys with the University of Iowa. Of particular note is the impressive growth in the UI Research Park where most companies have benefited from Coralville economic development funds. Also we are very excited with the continued expansion of UI Health Care in our Iowa River Landing district. I would like to bring my community leadership perspective to the search committee.

I am an Iowa native and also a third generation University of Iowa graduate and our son will soon be the fourth. I am Deputy Director of a research center in the College of Public Health where I have worked for nearly 21 years. I was honored as a recipient of the David Skorton Staff Excellence Award for Service and served five years as a member of the Presidential Committee on Athletics. I have begun a phased retirement from the University and will be fully retired at the end of 2015.

In closing, I am incredibly proud of both Coralville and the University of Iowa and would be honored to serve on the search committee. I believe my knowledge of "town-gown" issues and University research, education, and service activities would be an asset to the Committee.

Thank you for your service as Regents and consideration of my interest in serving.

Best wishes,

John

Subject: University of Iowa President - Request to Public

Marcia,

I first off wanted to thank you and your cohorts for reaching out to the public regarding candidates.

Here are the following traits I would prefer be considered when searching for the next UI President:

- Someone who went to school at Iowa, understands the culture and history
- Someone who will try to find ways to make the Game Day experience more enjoyable, not less enjoyable through restrictions and crackdowns. Not being allowed to have a beer on Melrose is absolutely absurd.
- Anyone like David Skorton
- Someone who won't turn their back on the students of the University of Iowa and cut off communication

Godspeed in your search,
James Gilroy
Class of 2006

Subject: UI President Search

Ms Brunson,

I recently saw an article in the Daily Iowan stating you are taking applications for two members of the public to join the University of Iowa Presidential Search Committee. I am interested in filling one of those positions. I earned my BA in Communications Studies from Iowa in 1993 and am one of 5 children in my family that graduated from Iowa. My Dad is an alum as well as two uncles, a number of cousins and my wife also earned her degree at the U of I. I currently work in healthcare administration and am responsible for the recruitment, hiring and retention of sizable medical staff. I am very invested in the the State of Iowa and the U of I. I feel my education in Communications paired with my experience recruiting/hiring physicians and dealing with multi million dollar contracts might prove to be helpful as the Board of Regents works through this very important decision. If you think I would be a potential fit for one of the positions, please let me know what the next steps would be. Thank you for your many years of dedicated work with the Board of Regents helping to make the State of Iowa a great place to educate, work, live and play.

Regards,

KC Fleming

I would appreciate consideration for appointment to this search committee. I had an academic career, serving at ISU, University of Wisconsin-Milwaukee, and University of Missouri-Columbia, retiring as Professor Emeritus and Distinguished Professor from ISU in 1989. I have served on presidential search committees at ISU.

Professional experience also includes short-term appointments with the USDA, Washington, D.C. and as Visiting Scholar, University of Colorado, Boulder. I also served as founding editor of the professional journal, Consumer Affairs.

My administrative experience includes chair, Dept. of Economics, University Extension and Director, Center for Consumer Affairs, Univ. of Wisc. Also, chair, Dept. of Family Environment (now HDFS), ISU and interim Associate Dean for Research, College of Home Economics and Assistant Director, Agr. & H. Ec. Experiment Station, ISU.

Although my primary connection has been with ISU, I have a broad interest in the quality of public higher education in Iowa that transcends one institution.

Thank you for your consideration.

Subject: UI search application

Ms. Brunson,

I am interested in serving on the UI presidential search committee. I attended the University of Iowa for undergraduate studies and I am a 2006 graduate of the University of Iowa College of Dentistry. Since 2007, I have been a practice owner of a group private dental practice in Decorah, IA. My wife, Jamie, is also a 2004 University of Iowa College of Business graduate. We live in the City of Decorah and we have two-year-old twins whom we hope attend the University of Iowa in the future. I am currently an active member of the Academy of General Dentistry, the American Dental Association, Iowa Dental Association. I serve on a local self-supporting municipal improvement district for the City of Decorah and have past service on the Decorah Downtown Betterment Association. I also serve as a key representative contact for the Iowa Dental Political Action Committee. I am active volunteer for the Decorah Free Clinic and Delta Dental's Donated Dental Services Program.

Please let me know if you would like further information.

Sincerely,

John Wilmes.

I served 37 years as Secretary of the Henry County Fair Board

Named Outstanding Citizen of Year in 2003

widower

4 adult children, 1 of whom is an U of I grad

Thanks for your consideration. DLMc

Bob,

It was great to visit with you about the upcoming search for the UI President.

As I mentioned in our conversation, I am very interested in serving on the Search Committee for the recruitment of the new President at the University of Iowa.

I have many connections and much affection for the University of Iowa. I will be honored in June of 2015 as a Distinguished Alumni of the University. Three granddaughters and two grandsons in law are currently in Iowa City. Three generations of our family are graduates – as a matter of fact our second granddaughter received her degree in December of 2013 and it was the thirteenth UI degree received in our family.

I am committed to higher public education and would be honored to serve as a member at large on the committee which will perform a most important function, helping to select a new leader for the University.

Thanks for your consideration.

Respectfully,

Ambassador Mary Kramer (Ret.)
