

MEMORANDUM

To: Board of Regents
From: Board Office
Subject: Employee Appeal
Date: September 9, 2002

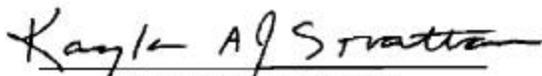

Recommended Action:

Affirm the final institutional decision of the university.

Executive Summary:

Board members have a packet of confidential materials related to an appeal by an employee—appealing a final institutional decision denying the employee's grievance for the termination of his employment. A review of the materials submitted by the employee and by the university suggests that the university's decision should be affirmed.

It is recommended that the Board, based on the record before it, affirm the final institutional decision of the university.
