**TIER Public Forums**

**June 2014**

Listed below are the details for the upcoming TIER Town Hall public forums at UNI, the University of Iowa and Iowa State University. Participants in the Town Halls will include members of the Board of Regents, the university presidents, and members of the Deloitte team (the Board's TIER consultant) who will provide additional details on the findings in Phase 1 of the TIER study and more specifics on the focus of Phase 2. The forums will provide an opportunity for the campus communities and general public to ask questions, express concerns, provide input and gain additional information relative to the TIER study.

Live video streaming of each public forum will be available at the Board's web site, [www.regents.iowa.gov](http://www.regents.iowa.gov).

A press availability will be held immediately following the completion of each public hearing.
