Weekly TIER Update – October 3, 2014

This week the Iowa Board of Regents met to review the eight remaining administrative business cases in Human Resources, Finance, IT, and Facilities. You can find the document presented by the Deloitte Consulting team on the Board of Regents [website](#) or by clicking [here](#).

Faculty, staff, and students now have a full month to review Deloitte's recommendations and provide comments. The feedback gathered at the upcoming town halls, public meetings and through the website will help the Board determine how and if they should move forward with implementation, so participation is strongly encouraged.

The Board of Regents will hold a telephonic meeting on November 14th to vote on the administrative business cases presented this week.
