**Weekly TIER Update – October 10, 2014**

This week Deloitte Consulting held town hall meetings at the University of Northern Iowa and the University of Iowa to review the eight remaining administrative business cases in Human Resources, Finance, IT, and Facilities.

The next town hall meeting is Monday at Iowa State University and will be streamed live on the Board of Regents [website](#). The Board of Regents also welcomes feedback on TIER during the regularly scheduled public hearings prior to the October Board meeting. These hearings will be held on October 16<sup>th</sup> and 17<sup>th</sup> at all three university campuses, the Board of Regents office, the Iowa School for the Deaf, and Iowa Braille School. Please see below to find the times and locations.

On October 23<sup>rd</sup>, the university presidents will provide additional campus feedback at the Board of Regents meeting in Iowa City. The Board will then hold a telephonic meeting on November 14<sup>th</sup> to vote on the administrative business cases. The feedback gathered at the town hall meetings, public hearings and through the website will help the Board determine how and if they should move forward with implementation, so participation is strongly encouraged.
