APPROVAL OF UNIVERSITY PARKING FOR FY 2010

Actions Requested: Approve the proposed parking rate increases at Iowa State University, Memorial Union (ISU), and the University of Northern Iowa as shown in this memorandum, as well as changes to UNI's Parking Regulations as shown on page 5.

Executive Summary: No changes have been made to the parking rate proposals that were presented to the Board for consideration at its March meeting. If approved this month:

- ◆ University of Iowa annual charges would range from \$50 - \$1,980;
- ◆ Iowa State University annual charges would range from \$42 - \$801;
- ◆ Iowa State University Memorial Union Ramp annual charge would be \$450; and
- ◆ University of Northern Iowa annual charges would range from \$22.50 - \$363.

At its March meeting, the Board gave preliminary consideration to the proposed parking rates and approved filing notice to amend the Iowa Administrative Rules regarding parking offenses at Iowa State University (see page 3). The notice will be published in the Iowa Administrative Bulletin on April 22. The notice establishes a comment period ending on May 12.

Each university has a parking system that is self-supporting. User fees and fines support operation, maintenance, and capital improvements. The parking systems do not receive any state appropriated funds.

Background: Iowa Code Chapter 262 allows the Board to make rules regarding policing, control, and regulation of traffic and parking on the property of any institution under its control. It also requires notification to students 30 days prior to action by the Board to increase charges or fees at the universities.

Written notification of the amount of the proposed parking rate increases was mailed to the student government president at each of the universities on March 18, 2009.

Each university has a:

- ◆ Parking manual that contains rules and regulations for parking on campus and includes information such as vehicle registration, parking permits, and fees and fines.
- ◆ System that provides many services including patrol, maintenance, repair, snow removal, resurfacing, construction, as well as meters, signage, salt/sand, equipment, and supplies.
- ◆ Committee that oversees parking operations and proposes changes to parking and traffic regulations as well as fees and fines for their comprehensive parking program.
