**APPROVAL OF UNIVERSITY PARKING FOR FY 2022**

**Actions Requested:** Approve:

- ▶ Parking rate changes at ISU, Memorial Union Parking Ramp (ISU), and UNI (pages 2-6); and
- ▶ Parking manual regulation changes at UNI (pages 7-10).

**Executive Summary:** At its February meeting, the Board considered the proposed parking rate changes at ISU, Memorial Union Parking Ramp (ISU), and UNI as well as proposed parking manual changes at UNI. No further changes are proposed.

**Background:**

Iowa Code Chapter 262 allows the Board to make rules regarding policing, control, and regulation of traffic and parking on the property of any institution under its control and requires notification to students 30 days prior to action by the Board to increase charges or fees at the universities. Written notification of the amount of the proposed parking rate increases was emailed to the student government president at each university on February 18, 2021.

Iowa Administrative Code §681.4 contains information on the purpose for the rules, definitions, general traffic directives, vehicle registration information, parking facilities guidelines, parking privileges, violations, and rule administration.

Board Policy Manual §2.2(8)(E) states that all traffic and parking regulations are subject to Board approval prior to enforcement and changes to existing regulations, general or specific, are required to be brought to the Board for approval annually.

Each university has a parking system that is self-supporting. User fees and fines support operation, maintenance, and capital improvements. The parking systems do not receive any state appropriated funds. Each university also has a manual that contains rules/regulations for parking on campus and committee that oversees parking operations and changes to regulations and fees and fines.

Net revenues of the parking systems derived primarily from parking fees and fines must, at a minimum, meet requirements of the bond covenants for outstanding parking bonds. Bond covenants require the Board and the institutions to keep facilities in good repair, working order, and operating condition.

**UNIVERSITY OF IOWA**

**PROPOSED RATE CHANGES / PARKING MANUAL REVISIONS**

No rate increases are requested for FY 2022. Rates are shown below. The last increase in parking rates was approved in FY 2016.

No changes to the parking manual are proposed.

4. Because fees are the same beginning with FY 2022, Student Accessible, Student Government, and Commuter Student have been consolidated into one line titled "Student".

**MEMORIAL UNION**

**PROPOSED RATE CHANGES / PARKING MANUAL REVISIONS**

UNI proposes to increase its parking rates as shown below and revise its parking manual as shown on pages 7-10. <https://publicsafety.uni.edu/parking-division-parking-manual>

Additional revenue generated from the proposed increases, effective August 1, 2021, will help pay for UNI's TickeTrak 10 parking administration system, replenish the depleted parking fund, and fund capital project reserves.

## PROPOSED PARKING MANUAL CHANGES

---

### General Procedures

1. University parking facilities are not to be used as storage for boats, campers, trailers, motorcycles, or any other vehicle, or for any type of gathering unless approved by the Department of Public Safety.
  - ◆ Justification:
    - (1) Moved from Section 11. Needs to be under General Provisions.
    - (2) Added “or for any type of gathering” to enforce unlawful use of parking facilities by person(s) or groups(s) not previously authorized.
2. ~~2-~~ Applications for parking permits are made at the Department of Public Safety, 30 Gilchrist Hall, during posted business hours. Applications are also accepted online by registered students and current faculty and staff as announced during the year from April August 15 for the yearly permit. ~~The application can be accessed by going to www.uni.edu and clicking on MyUNiverse~~
  - ◆ Justification: (1) Removing “from April August 15 for the yearly permit” gives flexibility when opening new parking portal for fall orders in case of unforeseen circumstances. (2) “The application can be accessed by going to www.uni.edu and clicking on MyUNiverse” no longer valid with new parking portal.

Renumber old sections 3-10 as 4-11.

- ◆ Justification: Added Section 2 as referenced above.
- 

### 1. University Student Vehicle Registration

#### Section 1.4

Students living in university residence halls shall be eligible for a C or R permit.

- a. Certain persons renewing their housing contract with the Department of Residence may be eligible for one C Reserved Multimodal or C Preferred parking permit which allows them to park in the C Reserved Multimodal or C Preferred parking areas. The purchase of any C Preferred permit does not guarantee parking adjacent to a specific residence building. Determination of who is eligible for these permits will be made by the Department of Residence.
  - b. Residents of the R.O.T.H. Complex shall be eligible to purchase a B permit.
  - c. An R permit is not valid in a M, C, C Reserved Multimodal, or C Preferred lot at any time. (see Section 6.5 below).
  - d. C, C Reserved Multimodal, and C Preferred permits must be turned into the Department of Public Safety upon termination of an applicable housing contract.
  - e. Individuals found using an altered, stolen or either a C Reserved Multimodal or a C Preferred permit they are ineligible for or registered to another person, however acquired, forfeit any future eligibility for C Reserved Multimodal or C Preferred parking privileges.
  - f. Individuals who knowingly allow the use of a C Reserved Multimodal or C Preferred permit issued to them by another are subject to revocation to all or part of their university parking privileges.
- ◆ Justification: Adding “C Reserved Multimodal” where appropriate.
- 

#### Section 1.5

Parking areas with a C, C Reserved Multimodal, C Preferred, or R designation can be used twenty-four (24) hours per day by persons with an appropriate UNI parking permit. Restrictions may apply.

- ◆ Justification: Adding “C Reserved Multimodal” where appropriate.
-

---

## 2. Faculty/Staff Vehicle Registration

### Section 2.2

Any staff member may purchase the Gm, A, B, BP, or R parking permits. Application should be made at the Department of Public Safety, 30 Gilchrist Hall. Payment shall be made at the time of application or collected as payroll deduction.

- ◆ Justification: Added BP to parking permit options.

---

### Section 2.4

All parking permit applicants wishing a three (3) period payroll deduction must apply no later than September 15. Permanent faculty and staff purchasing the Gm, G, A, B, or BP parking permit are eligible to have their permit fee deduction on a monthly pre-tax basis. Persons choosing the pre-tax payment option may not downgrade their permit during the payment year.

- ◆ Justification: Added BP to parking permit options.

---

## 6. Parking Lot Designation and Hours

### Section 6.1

Parking lots are designated by letter and are restricted during the hours listed as follows:

Meters: Unless otherwise posted: 7:00 a.m. to 9:00 p.m., Monday – Friday  
(not enforced Saturday and Sunday between the hours of 7:00 a.m. to 1:00 a.m.).

Gm Lots: 7:00 a.m. to 4:00 p.m., Monday - Friday

G Lots: 7:00 a.m. to 4:00 p.m., Monday - Friday

A Lots: 7:00 a.m. to 4:00 p.m., Monday - Friday

B Preferred: 7:00 a.m. to 4:00 p.m., Monday – Friday

B Lots: 7:00 a.m. to 4:00 p.m., Monday – Friday

C Reserved Multimodal: At all times

CP Lots: At all times

C Lots: (No restrictions except R permits)

R Lots: No restrictions.

- ◆ Justification:
  - (1) B Preferred MMTC: Demand for the parking in the 174 stall B lot at the MMTC is high. Normally at capacity during school day to 4 pm. Other areas vehicles can park with a B permit sit underutilized. Will operate like C Preferred.
  - (2) C Reserved MMTC: Roof area of MMTC underutilized. Move A stalls up and create 30, 24/7 reserved stalls for those in resident halls. U of I and ISU do not offer a similar rate or choice for residence. UNI would be first.

---

### Section 6.2

Gm, G, A, B Preferred, B, and metered areas must be vacated during the hours of 1:00 a.m. to 7:00 a.m. seven (7) days a week.

- ◆ Justification: Adding B Preferred permit to areas where overnight parking prohibited.
-

Section 6.3

During the hours that lots are designated:

Gm permit holders may use the Gm, A, B, C, or R Lots.

G permit holders may use the G, A, B, C, or R lots.

A permit holders may use the A, B, C, or R lots.

B Preferred permit holders may use BP, B, C, or R lots.

B permit holders may use the B, C, or R lots.

C Reserved Multimodal may use C, CRM, or R lots

CP permit holders may use the C Preferred, C, or R Lots.

C permit holders may use the C or R lots.

M permit holders may use the M, C or R lots.

R permit holders (see Section 6.5).

- ◆ Justification: Adding proposed B Preferred and C Reserved Multimodal permits to lot designation hours.

Section 6.5

R permit is for use in the R designated parking areas and for vehicle identification but does permit the use of loading zones for prescribed time limits. It further allows the use of parking lots when their classification is not in effect, except C, C Preferred, and CR MMTC lots.

- ◆ Justification: Added CR MMTC to list of permits.

**7. Permit and Fees**

Section 7.1

Type of Registration	Per Year	2 <sup>nd</sup> Semester	Summer Only
<u>B Preferred</u>	<u>186.60</u>	<u>93.30</u>	<u>N/A</u>
<u>C Reserved Multimodal</u>	<u>360.00</u>	<u>180.00</u>	<u>90.00</u>

*Note: All new proposed rates are contingent on functioning reserve and Waiting List Module in new TickeTrak 10 parking system.*

- ◆ Justifications:

**BPM-B Preferred Permit MMTC B lot**

- Will cap at 174 active permits. 9-month. Designated lot: MMTC B lot. Can use any lot a regular B permit can.
- Lot restricted Monday - Friday 7:00 a.m. - 4:00 p.m. Weekdays after 4:00 p.m., weekends, and holidays, any vehicle with a UNI permit may park in the lot.
- Will only offer for Fall and Spring. No issue in Summer.
- Fee based on A Permit but off-campus students eligible to purchase.
- Estimated revenue increase at normal operations and 100% capacity=\$17,900.00 (This takes into consideration money generated over the sale of a regular B permit a student would normally buy.)

**CRM- C Reserved Multimodal 1st Level MMTC**

- Will cap active permits at 30. Designated area: 1st level MMTC adjacent to existing GM stalls for a total of 30. This would make entire ramp reserved. Current A stalls there moved up into underutilized parts of MMTC. Thus, total number of A stalls remains the same. Can increase number in future based on demand.
- SUI and ISU do not offer a similar rate or choice for residence. UNI would be first.
- Restricted 24/7.
- Fee based on similar one offered by SUI (Surface Reserved=\$378.00/9-month), current GM of \$454.00/year and the fact these are students.
- Would make available to any resident already eligible for a CP permit, regardless of dorm.
- Estimated revenue increase at normal operations and 100% capacity=\$10,800.00 for the MMTC fund. Would still sell maximum number of CPs regardless.
