The University of Iowa is proposing a new application fee for the PharmD program. The Board will consider approval of this new fee in Agenda Item 13f. Application fees are listed in Chapter 1 of the Board's administrative rules. Therefore, the addition of this new fee requires the application fee rule (IAC 681 – 1.7) be amended. If the fee is approved, the Notice of Intent to amend the rule will be filed on May 5, and a comment period ending June 13 will be established.
