**APPROVAL OF NON-TUITION-RELATED MISCELLANEOUS FEES FOR FY 2008**

**Actions Requested:** Consider approval of the new fee and adjustments to non-tuition-related miscellaneous fees for FY 2008 as illustrated on page 3. A complete list of all fees is shown on pages 4-8.

**Executive Summary:** The Board received a comprehensive report on the proposed changes to non-tuition-related miscellaneous fees for FY 2008 at the May meeting. No changes have been made since May. For FY 2008:

- The University of Iowa requests increases in thirteen fees ranging from \$3 to \$300.
- Iowa State University requests one new fee of \$35; elimination of one fee of \$75; increases in six fees ranging from \$20 to \$60; and the replacement of one specific fee from \$1,886 to a range of \$1,886-2,500.
- The University of Northern Iowa requests increases in 23 fees ranging from \$1 to \$80, and the elimination of two fees: \$95 and \$1.

Non-tuition-related fees include a variety of items such as course delivery fees and private music lessons. In each category, students pay only the miscellaneous fees that apply to them, with variances, in type and amount dependent on each student's program, needs, and interests. These fees are in addition to tuition. Non-tuition-related fees are presented in the spring. The Board reviews miscellaneous fees for the coming academic year after it has acted upon tuition rates, which occurred in December.

**Follow Up from May Meeting:**

In response to President Gartner's request for an explanation of Matriculation Fees at the May meeting, the universities report that the New Student Programs/Matriculation Fee is used for expenses associated with orienting freshmen and transfer students. The fee amounts vary among the universities and cover a variety of different expenses.

In response to President Pro Tem Miles' request for the impact of miscellaneous fees on a typical student, the universities report that a typical undergraduate student will pay \$217 - \$287 in miscellaneous fees for FY 2008 as illustrated on page 2.

**Background:** Regent Policy Manual §8.04 requires that the Board review and approve all new institutional or college-wide fees, all institutional or college-wide fees of over \$1 per semester, and all departmental fees over \$10 per semester.

Iowa Code §262.9(18) requires the Board to take action no sooner than 30 days after notification of the proposed fee changes to presiding officers of each student government organization at each affected institution. Notice to student body leaders was emailed on April 26, 2007.

The Board's policy encourages the three universities to continue to work together to establish common titles and amounts for miscellaneous fees. Some differences in fee titles and amounts may remain because of the unique nature of some programs and services at each institution.

The three universities report that a typical domestic undergraduate student will pay all of the following miscellaneous fees for FY 2008:
