**REPORT OF CRIME STATISTICS AT THE UNIVERSITIES
FOR THE QUARTER ENDING MARCH 31, 2010**

Actions Requested: Receive the report on the crime statistics at the three universities for the quarter ending March 31, 2010.

Executive Summary: At the Board's request, it will receive quarterly reports of crime statistics compiled by the university Public Safety Departments. The reports for the quarter ending March 31, 2010, are attached.

At a previous meeting of the Board, the Directors of Public Safety clarified some of the entries on the statistical reports. For example, the "all other" category includes a variety of criminal offenses correlating with FBI statistical reports as well as non-criminal offenses. Some of these would include criminal offenses such as Interference with Official Acts, Falsifying Driver Licenses, Harassment, Filing a False Report to a Law Enforcement Agency. Examples of non-criminal offenses included in the "all other" category would be Accidents, Disturbances, and Personal Injury.

Another clarification provided was that an incident report involving a single individual may include multiple offenses – such as Assault, Public Intoxication and Falsifying a Driver's License. Each of these offenses would be counted in the appropriate category on the tables. However, if there was an arrest, only one arrest would be indicated.
