UPDATE OF DISCUSSION OF POST-TENURE REVIEW POLICIES

During the discussion of the Annual Tenure Report at the April 2010 Board of Regents meeting, the Board requested further analysis of the post-tenure review policies at the Regent universities. The Board Office is working with the provosts to analyze the post-tenure review policies at the universities, with a focus on similarities among the policies, and best practices related to post-tenure reviews. A comprehensive presentation will be made at the September 2010 Board of Regents meeting.
