

Board of Regents
Performance-Based Revenue Model
Approved June 4, 2014

60% of state funding based on Resident FTE enrollment	This would tie funds directly to supporting Iowa students using a 3-year rolling average.
15% for Progress and Attainment	<ul style="list-style-type: none"> • 5% to be awarded based on achieving Student Credit Hour thresholds of 24-48-72. • 10% based on Degree Production. Measurement would be most recent year completed.
10% for Access	Regent universities should have a diverse student body as measured by low-income students, minorities, Iowa community college transfers, and veterans. Measurement would be over a 3-year rolling average.
5% for Sponsored Research	5% to be awarded based on sponsored research for the most current year recognizing the boon to economic development that the public universities provide.
5% Weighted for Graduate and Professional Students	5% for a proportional weighting of all graduate and professional students based on FTE enrollment.
5% Based on Regent Selected Metrics	5% for customized metrics to be distributed by the Board of Regents.
Other	<ul style="list-style-type: none"> • Transition to new funding model over period of 3 years. • Cap any reallocation at 2% of the institution's 2013 general education revenues per year.
