PROPOSED BOARD POLICY REVISION – NONRESIDENT PART-TIME TUITION

Action Requested: Consider for approval, as a first and final reading, a proposed revision of the Board of Regents Policy Manual Chapter 1.6F as provided below.

Executive Summary: Current policy states that part-time non-resident students taking four credits or less be assessed at the applicable resident rates. The policy was established to encourage enrollment at the universities on a part-time basis. The proposed policy revision allows the universities to assess a rate for nonresident students taking four credits or less up to the corresponding nonresident/international rate. The following new policy proposal was reviewed by Board Office and university staff and is submitted as a first and final reading.
