PROPOSED 2020-2021 TUITION AND FEES

Action Requested: Consider approval of:

1. The proposed tuition and mandatory fees for the 2020-21 academic year as outlined in this memorandum, effective with the Fall 2020 session.
2. The allocation of the Regent universities mandatory student fees for the 2020-21 academic year as provided on page 5.
3. The proposed Common and University / Program Specific Fees for the 2020-21 academic year as provided on pages 13-17.

Executive Summary: The COVID-19 epidemic is unprecedented. Like every other facet of society, our public universities have undergone massive disruptions, which affect all of our students, faculty and staff. Many decisions have been made and will continue to be made, following the guidance of the Centers for Disease Control and Prevention, the Iowa Department of Public Health, and others. It is important that our students, families and our institutions have as much financial predictability as possible. Therefore, it is recommended there be no increases in tuition rates or mandatory fees. All proposed tuition rates and mandatory fees are provided on pages 6-10. While the rates contained in this memorandum represent the 2020-21 academic year, the Board may re-evaluate the tuition and mandatory fee rates for the Spring 2021 semester later this fall as more information becomes available.

The Board received the first reading of the proposed rates at its May 4, 2020 meeting.

UNI Tuition/Fee Peer Group Research 1 Comparison

The following table compares current resident undergraduate tuition and fee rates for UNI with the Board-established peer group. The table also includes a rate variance comparison between the peer group and the corresponding Research 1 (R1) universities for each respective state. UNI's rates are near the bottom of the peer group and significantly closer to the rates of Iowa's R1 universities lower than the average variance of the peer states.

Estimated Cost of Attendance

Iowa Code §262.9(19) requires the Board to publish the estimated total cost of attending the Regent universities, including room and board and other costs, at the same time that it publishes final tuition and mandatory fees.

Based on the proposed base tuition rates, room and board rates, and other costs, the following table estimates the total cost of attendance for a resident undergraduate student.

Other costs, as quantified for financial aid calculations, include the universities' estimates of student costs for books, supplies, transportation and personal expenses.

Allocation of Mandatory Fees

Iowa Code §262.34B authorizes a student fee committee comprised of five students and five employees at each university to make recommendations for the distribution of revenues from student activity/service fees to the university president. The allocation proposals are consistent with the recommendations of the student fee committees. Building fees are allocated among enterprises to ensure minimum bond coverage ratios are met.

The statute requires Board approval of the allocation of these student fees. Proposed fee allocations represent efforts to provide opportunities for students to participate in student organizations and activities.

Part-time Tuition and Mandatory Fees:

The proposed 2020-21 part-time tuition and fee rates for resident and nonresident undergraduate and graduate courses at the three universities are consistent with the proposed tuition and mandatory fee rates for full-time students. Resident and nonresident rates for part-time students with differential tuition are based on the corresponding full-time tuition rates.

Undergraduate and professional part-time tuition and mandatory fees are based on 12 credit hours, while graduate part-time rates are based on 9 credit hours.

Some proposed mandatory fees for part-time students as well as summer sessions may vary among the universities as described below.

Student Health fees – All universities

- SUI, ISU and UNI – full fee assessed to all students taking 5 or more hours per semester; no fee assessed to student taking less than 5 credit hours (includes Mental Health Fee at SUI).

Student Health Facility fees

- ISU – full fee assessed to all students regardless of the number of credit hours taken
- UNI – assessed at 75% of the full semester rate for 6 through 11 credit hours and at 50% for less than 6 hours

All other mandatory fees

For undergraduate students:

- SUI, ISU and UNI – assessed at 75% of the full semester rates for 6 through 11 hours and at 50% for less than 6 credit hours

For graduate students:

- SUI – assessed at 75% of full semester rates for 4 through 8 hours and 50% for less than 4 credit hours
- ISU and UNI – assessed at 75% of full semester rates for 5 through 8 hours and 50% for less than 5 credit hours

Summer school

- SUI & ISU – computer fees assessed at full semester rate; maximum of other fees assessed at 50%
- UNI – assessed at 75% of the full semester rate
