**ACADEMIC PROGRAM CHANGES**

**Action Requested:** Approval of new programs at Iowa State University and the University of Iowa, and closure of centers at Iowa State University.

**Executive Summary:** Based upon its review at the June 7, 2017 meeting, the Academic and Student Affairs committee recommends approval of the following actions:

- Approval of the Registered Nurse to Bachelor of Science in Nursing program at Iowa State University;
- Approval of the Bachelor of Science in Neuroscience program at the University of Iowa;
- Approval of the closure of the Center for Integrated Animal Genomics at Iowa State University; and
- Approval of the closure of the Midwest Agribusiness Trade Research Center at Iowa State University.
