- Ahlers & Cooney, P.C. as bond counsel;
- Springsted, Inc. as financial advisor; and

Executive Summary: Statutory provisions and Board policy require a competitive selection of the professionals assisting with the Board's issuance of bonds and notes. In 2006, Requests for Proposals (RFPs) were issued to solicit bond counsel, financial advisor, and arbitrage rebate services.

The current contracts with the Board's bond counsel, financial advisor, and arbitrage rebate services providers commenced on September 1, 2006, for a one-year initial period, with provisions for annual renewal thereafter through August 31, 2011, subject to mutual consent of the parties.

| Springsted, Inc. | 175,413 |
| Berens–Tate Consulting Group | 72,000 |

The Board Office recommends that the contracts be extended for a one–year period ending August 31, 2008. In compliance with Iowa Code §262.9(17), Iowa Administrative Code §681 – 8.8(1) and the Regent Policy Manual §7.02(G), new RFPs will be issued for the Board's bond counsel, financial advisor, and arbitrage rebate services providers no later than calendar year 2011.

- Assist the Board in authoritatively evaluating legal aspects of proposed financings;

The current contract with Springsted as financial advisor to the Board provides that Springsted will:

- Assist the Board in assessing the merits of various financing alternatives;

- Take a long-range view and place any currently proposed financing into historical perspective so that any offering does not jeopardize the Board's overall debt financing program;
- Advise the Board in a manner which will provide continuity in the Board's financings but also shall suggest improvements where necessary or desirable; and
- Furnish notification of compliance with the continuing disclosure requirements required by the Securities and Exchange Commission.

The current contract with Berens–Tate as arbitrage rebate services provider to the Board provides that Berens–Tate will:

- Review the cash flow and investment information for an issue of bonds, notes or other debt instruments;
- Determine excess earnings on investments during each bond year and determine the Board's net rebate liability;
- Inform the Board or Trustee of the obligation to deposit in a rebate fund any excess earnings based on the calculations performed, and prepare a rebate report for the Board setting forth computations, assumptions and instructions for filing; and
- Provide the Regent institutions with authoritative calculations and certifications required to meet arbitrage rebate requirements of federal tax laws and regulations, and complete and provide for filing with the Internal Revenue Service a Form 8038-T for each issue for which there are excess earnings.
