**SALE AND AWARD OF**  
**\$29,000,000 DORMITORY REVENUE BONDS, SERIES S.U.I. 2012A**

**Action Requested:** Consider adopting the following resolution, subject to receipt of acceptable bids:

A Resolution providing for the sale and authorizing and providing for the issuance and securing the payment of \$29,000,000 Dormitory Revenue Bonds, Series S.U.I. 2012A, for the purpose of paying a portion of the costs of constructing and equipping a new residence hall for student housing and related facilities, funding a debt service reserve fund, and paying costs of issuance.

**(ROLL CALL VOTE)**

**Executive Summary:** The Board is asked to consider adoption of a resolution providing for the sale and issuance of Dormitory Revenue Bonds for the University of Iowa. Proceeds from the sale of the bonds would be used to partially fund the **West Campus Residence Hall – Construct New Facility** project, which will provide housing for 501 residents. This would be the first of two series of bonds for the project. At its March 2012 meeting, the Board approved the schematic design, and project description and budget (\$53,444,501) for the project. The University's Residence System is a self-supporting operation and receives no state appropriations.

Principal on the bonds would be repaid over a period of 20 years, with an interest only payment in FY 2013. Debt service payments are estimated at slightly less than \$2 million from FY 2014 through FY 2033. Payments would be made from the net rents, profits and income of the Residence System. Interest on the bonds would be exempt from federal and state taxes (double tax-exempt) for Iowa residents who purchase the bonds.

**Additional Information:** Under the provisions of Iowa Code §§262.55 to 262.66, the Board is authorized to construct, equip, improve, repair, remodel, operate and maintain residence halls and dormitories, including dining and other incidental facilities, at the universities. The Board is further authorized to borrow money to finance the construction or improvements and to refund such indebtedness.

The bond issue of \$29,000,000 and an anticipated reoffering premium are expected to include:

- project costs (estimated at \$27,000,000);
- debt service reserve (estimated at \$1,972,000);
- underwriters discount (estimated at \$406,000); and
- issuance costs (estimated at \$112,000).

The receipt and opening of bids is scheduled for 10:00 a.m. on Thursday, August 2, 2012, and the award is scheduled for later that day.
