**REPORT OF CRIME STATISTICS AT THE UNIVERSITIES
FOR THE QUARTER ENDING JUNE 30, 2011**

Actions Requested: Receive the report on the crime statistics at the three universities for the quarter ending June 30, 2011.

Executive Summary: At the Board’s request, it will receive quarterly reports of crime statistics compiled by the university Public Safety Departments. The reports for the quarter ending June 30, 2011, are attached.

At a previous meeting of the Board, the Directors of Public Safety clarified some of the entries on the statistical reports. For example, the “all other” category includes a variety of criminal offenses correlating with FBI statistical reports as well as non-criminal offenses. Some of these would include criminal offenses such as Interference with Official Acts, Falsifying Driver Licenses, Harassment, Filing a False Report to a Law Enforcement Agency. Examples of non-criminal offenses included in the “all other” category would be Accidents, Disturbances, and Personal Injury.

Another clarification provided was that an incident report involving a single individual may include multiple offenses – such as Assault, Public Intoxication and Falsifying a Driver’s License. Each of these offenses would be counted in the appropriate category on the tables. However, if there was an arrest, only one arrest would be indicated.

As per the Board’s request, the attachments provide comparison data for the same quarters in calendar year 2010.

The table below summarizes the totals from the three reports.

The tables on the following page show the total number/percentage of university students charged compared to the total charges. It also shows the number of charges relating to various alcohol offenses and the number/percentage of students charged. At the Board's request, the institutions began compiling statistics in this fashion beginning with the third quarter of 2010; therefore, comparison numbers are not available for the first and second quarters of 2010.

For the Board's information, alcohol-related charges include – public intoxication, operating while intoxicated, possession of alcohol under the legal age, open container, consuming in public, bootlegging, providing liquor to minor, attempt to purchase alcohol by minor, and serving/selling alcohol after hours.

The three public safety departments have long-standing mutual aid agreements with their respective city and county law enforcement partners. Additionally, the departments routinely collaborate with local, state and federal law enforcement agencies in criminal investigations and enforcement operations. It is important to note that these investigations/operations can occur in various locations within the state, not simply on university properties or properties immediately adjacent to the three campuses. Typical of these operations are joint drug enforcement task forces that operate within the county or multi-county region.
