**Presentation on University Disability Support Services Trend Data (Pontius)**

Jason Pontius presented three slides showing data trends on disability support services as reported each year in the BOR Fall Enrollment reports. He highlighted growth in services for health and psychological needs and explained why the BOR cannot currently provide graduation and retention data for students with disabilities.

He stated that the directors of the university disability support services offices will present before the Campus and Student Affairs committee at the September Board meeting in Council Bluffs.

Meeting adjourned at 2:15 pm.
