STUDENT DISABILITY SUPPORT SERVICES PRESENTATION

Action Requested: Receive the presentation on Student Disability Support Services

Executive Summary:

The presentation will provide an overview of the offices at each university that provide accommodations for students with disabilities. The presentation, given by the directors of each university office, will highlight the types of accommodations provided, trends in accommodations over time, and challenges in serving a growing number of students on campus.

Presenters:

Steve Moats is Director of Student Disability Resources, at Iowa State University

Kelly Fiddelke is Assistant Dean of Students for Student Accessibility Services at the University of Northern Iowa

Dr. Mark Harris is Director of Student Disability Services at the University of Iowa
