STUDENT ENGAGEMENT STRATEGIES: RETURNING TO BETTER

Action Requested: Receive the “Student Engagement Strategies: Returning to Better” presentation

Executive Summary:

As we approach an academic year where student life could be more "normal," campuses and students are working to bring energy back to the in-person experience. This presentation will be an open conversation on how we as campus leaders are starting the academic year, with a focus on returning to better.

Presenter: **Heather Harbach** is the Vice President for Student Life at the University of Northern Iowa.
