INDEPENDENCE

The Chief Audit Executive is appointed by the Board of Regents (BOR) and reports functionally to the Audit and Compliance Committee and administratively to the Executive Director of the BOR Office. All audit staff report directly to the CAE and as of July 1, 2021, are employees of the BOR Office. Audit activities and reports are communicated to the university presidents and the BOR. This reporting relationship promotes independence and provides adequate consideration of audit issues, recommendations, and management action plans.

The internal audit activity will remain free from interference by any element in the organization, including matters of audit selection, scope, procedures, frequency, timing, or report content to permit maintenance of the necessary independence as required by the International Standards for the Professional Practice of Internal Auditing. Any interference or scope limitation must be reported to the BOR for discussion and resolution.

The Chief Audit Executive and staff should have an impartial, unbiased attitude and avoid conflicts of interest, as well as be independent in fact and appearance.

ACCOUNTABILITY

The Chief Audit Executive shall be accountable to the Audit and Compliance Committee:

- Direct the activities of any organization employee not employed by Internal Audit, except to the extent such employees have been appropriately assigned to auditing teams or to otherwise assist the internal auditors.

LIMITATION OF AUTHORITY AND RESPONSIBILITY

Internal auditors will not develop and implement procedures, prepare records, make management decisions, or engage in any other activity which could be reasonably construed to compromise their independence.
