Board of Regents Requests Public Input on Tuition Set-Aside

(URBANDALE, Iowa) – At its meeting on September 12, 2012, the Board of Regents received proposed recommendations from the Board's Student Financial Aid Committee on the replacement of tuition set-aside funds to support need-based student financial aid for Iowa undergraduates. The Board also authorized the Board Office to solicit public input on this issue for the Committee's consideration in developing its follow-up report to the Board to be presented at the October 24-25 meeting.

The public can submit comments to the Board Office on the proposed Committee recommendations via email at regents@iastate.edu. All public input received by the close of business on Wednesday, October 17, will be reviewed and considered by the Committee for its October report to the Board.
