REVISION TO DECEMBER 2012 BOARD MEETING

Requested Action: Consider approval for the December 2012 telephonic meeting of the Board of Regents to originate from Iowa State University.

Background: Iowa Code 262.9 requires the Board's final decision on an increase in tuition or fees to be made at a meeting on one of the three university campuses. Since the final decision on tuition and fees for FY 2014 will be made at the December 2012 telephonic meeting, this meeting must originate from one of the campuses. The Board Office recommends that this meeting originate from Iowa State University.
