A Resolution providing for the sale and authorizing and providing for the issuance and securing the payment of $22,330,000 (estimated) Athletic Facilities Revenue Refunding Bonds, Series S.U.I. 2017A, for the purpose of advance refunding the $26,000,000 Athletic Facilities Revenue Bonds, Series S.U.I. 2009, and paying costs of issuance.

(ROLL CALL VOTE)

Executive Summary: The Board is asked to consider adoption of a resolution related to the sale, award, and issuance of Athletic Facilities Revenue Refunding Bonds for the University of Iowa. When the calendar year 2017 bond issuance schedule was approved by the Board in October 2016, it authorized such refunding bonds as the Executive Director determines advisable.

A review of possible refundings by Springsted, Inc., the Board’s Municipal Advisor, has determined that interest rate savings could occur by refunding the 2018 – 2035 maturities of the $26,000,000 Athletic Facilities Revenue Bonds, Series S.U.I. 2009 (the “Series 2009 Bonds”). The Series 2009 Bonds were sold to finance a portion of the Carver-Hawkeye Arena – Addition and Renovation project.

Interest on the Series 2017A bonds would be exempt from federal and state taxes (double tax-exempt) for Iowa residents who purchase the Series 2017A Bonds. Interest on the Series 2009 Bonds to be refunded has also been double tax-exempt.

The proposed refunding of the Series 2009 Bonds would be an advance refunding as the refunding would occur prior to the initial call date of July 1, 2020. It is intended that the proceeds from the sale of Series 2017A Bonds, net of issuance expenses, would be invested in U.S. Treasury Obligations or other permitted investments to fund an escrow account which would be used to redeem the 2018 – 2035 maturities. The refunding would not extend the maturity of the bonds beyond the last scheduled maturity of the 2009 Series Bonds.

Interest rates on the Series 2017A Bonds are anticipated to be lower than the interest rates on the 2009 Series Bonds for the same years. (Rates on the 2009 Series range from 3.60% in 2018 to 4.35% in 2035.) Springsted, Inc., the Board’s municipal advisor, has projected that the refunding would result in a present value savings of approximately $1.18 million. Annual cash flow savings are estimated at approximately $83,000.

The refunding issuance amount is estimated at $22,330,000. Depending upon the bid received, this amount will be adjusted up or down. This flexibility will provide sufficient funds to fund the escrow account and to pay the costs of issuance, which are estimated at $137,000.
Debt service payments on the Series 2017A Bonds are paid from net revenues of the Athletics Facilities System and from any fees or charges implemented by the Board to students for whom the facilities are made available.

The receipt and opening of bids is scheduled for 10:00 a.m. on Wednesday, October 18, 2017, and the award is scheduled for later that day. A representative of Springsted, Inc. will report on the bids received and make a recommendation to the Board for award of the Series 2017A Series Bonds.
