ANNUAL REPORT ON CAMPUS SAFETY & SECURITY (CLERY ACT)

Committee Action Requested: Receive the Clery Act Reports.

Executive Summary: The Clery Act requires colleges and universities to publish an Annual Security Report (ASR) by October 1, documenting three calendar years of select campus crime statistics, including security policies and procedures and information on the basic rights guaranteed victims of sexual assault. The law requires schools make the report available to all current students and employees, and prospective students and employees must be notified of its existence and given a copy upon request. Schools may comply with this requirement via the internet if required recipients are notified and provided exact information regarding the online location of the report. Paper copies of the ASR should be available upon request. All crime statistics must be provided to the U.S. Department of Education.
