UNIVERSITY OF IOWA UPDATE OF FLOOD RECOVERY STATUS

Action Requested: Receive the oral report from the University of Iowa.

Executive Summary: University officials continue to meet with FEMA and Iowa Homeland Security (IHLS) representatives on the management and financing of flood recovery. Meetings have provided a valuable opportunity to identify funding and process issues. The University will provide an oral report updating the Board on these recent meetings and all other significant flood related activities.

Attached is the most recent report of flood recovery expenses and funding received (through October 31, 2010).
