A Resolution providing for the sale and authorizing and providing for the issuance and securing the payment of \$25,840,000 (estimated) Academic Building Revenue Refunding Bonds, Series I.S.U. 2017A, for the purpose of advance refunding the \$26,000,000 Academic Building Revenue Bonds, Series I.S.U. 2009A, and paying costs of issuance.

(ROLL CALL VOTE)

Executive Summary: The Board is asked to consider adoption of a resolution related to the sale, award and issuance of Academic Building Revenue Refunding Bonds, Series 2017A for Iowa State University. When the calendar year 2017 bond issuance schedule was approved by the Board in October 2016, it authorized such refunding bonds as the Executive Director determines advisable.

A review of possible refundings by Springsted, Inc., the Board's municipal advisor, has determined that interest rate savings could occur by refunding the 2018 – 2035 maturities of the \$26,000,000 Academic Building Revenue Bonds, Series I.S.U. 2009A. The Series 2009A Bonds were originally sold to finance a portion of the Chemistry Facilities (Hach Hall) construction project.

Interest on the Series 2017A bonds would be exempt from federal and state taxes (double tax-exempt) for Iowa residents who purchase the bonds. Interest on the bonds Series 2009A Bonds has also been double tax-exempt.

The proposed refunding of the Series 2009A Bonds would be an advance refunding as the refunding would occur prior to the initial call date of July 1, 2020. It is intended that the proceeds from the sale of the Series 2017A Bonds, net of issuance expenses, would be invested in U.S. Treasury Obligations or other permitted investments to fund an escrow account which would be used to redeem the 2018 – 2035 maturities of the Series 2009A Bonds. The refunding would not extend the maturity of the bonds beyond the last scheduled maturity of the Series 2009A Bonds.

Interest rates on the Series 2017A bonds are anticipated to be lower than the interest rates on the Series 2009A bonds for the same years. (Rates on the Series 2009A Bonds range from 3.25% in 2018 to 5.00% in 2035.) Springsted, Inc. has projected that the refunding would result in a present value savings of approximately \$1.60 million. Annual cash flow savings are estimated at approximately \$107,000.

The refunding issuance amount is estimated at \$25,840,000. This amount will be adjusted up or down, depending upon the bid received. This flexibility will provide sufficient funds to fund the escrow account and to pay the costs of issuance, which are estimated at \$138,000.

Debt service payments on Academic Building Revenue Bonds are paid with gross student fees and charges, including tuition. The General Assembly and the Governor have a historic record of supporting the Board's request for tuition replacement appropriations to reimburse the institutions for the funds pledged for debt service payments.

The receipt and opening of bids is scheduled for 9:30 a.m. on Wednesday, December 6, 2017, and the award is scheduled for later that day. A representative of Springsted, Inc. will report on the bids received and make a recommendation to the Board for award of the bonds.

The official statement for the bond sale may be found on the website of Springsted, Inc., the Board's Municipal Advisor, at <http://www.springsted.com/>.
