New Location [Dubuque]

Action: No action was taken.

6. Meeting Schedule for 2015-16—Diana Gonzalez

Diana explained that the fall meeting is usually held on the campus of the Council chair, which would have been at Graceland University, but Diana and many members attended the summit today, so it was decided to hold the Council meeting after that event at DMACC in Ankeny.

The following meeting dates and locations were proposed for 2015-16:

- January 20, 2016 (Begins at 10:00 AM) – Conference call, if needed.
- April 25, 2016 (10:00 AM – 2:00 PM) – Graceland University

Diana stated that if the January 2016 meeting is not necessary, she will notify the Council. The April meeting will be held at Graceland University. The agenda will contain typical items such as updates on SARA and other matters of importance to the Council. If anyone has other topics of interest to add to the agenda, please contact Diana.

7. ICCPHSE Tools—Diana Gonzalez

Listserv:

Diana indicated that all personnel changes (i.e., contact information) to the listserv need to be provided to Laura Dickson. An email will be sent out to the listserv to remind recipients to inform the Board of Regents office of any listserv changes.

Taxonomy:

The Taxonomy is a list of programs offered at each institution. Diana asked the members to check their college's list and let the Board of Regents office know if there are any program updates, particularly if a program has been terminated.

8. Membership for 2015-16—Diana Gonzalez

Diana referenced the membership list and stressed that it is important the list be reviewed to ensure the right people are included. She requested that any changes to the list be submitted to her.

9. Home-Based Iowa Initiative – Jeremy Varner

Jeremy Varner reviewed the chart provided to briefly discuss the five data items requested of Iowa's colleges and universities:

1. The number of first-time ever enrolled (post-high school graduation) and verified veteran undergraduate students at your institution (this is the main cohort).
2. Of the main cohort from #1, the total number of veteran undergraduate students who received transcribed credits (by the end of the first term ever enrolled at your institution) for military training, service, or education (this becomes the sub-cohort).
3. Of the sub-cohort from #2, the average number of total credits applied to the student's first-time enrolled for military training, service, or experience.
4. Of the sub-cohort, the average number of military credits applied toward the first intended major of an academic credential. Applied credits are defined as credits that meet major/degree program requirements.
5. The total number of verified veterans in note fiscal year served through credit enrollment. (Do not include veteran spouse or family members.) **This may include additional students not counted in the main cohort.**

Jeremy discussed that over the past year, the public colleges and universities participated in a pilot on the reporting structure and data collection. There is a subgroup meeting on the presentation and reporting of this data that is currently working on the narrative to accompany this data. A draft of the inaugural report should be completed within the next few weeks and will be circulated to the coordinating council for feedback. The report is to be submitted to the Governor's office by December 15, 2015, so Jeremy's committee has considered having a brief telephone conference with the council to discuss the draft.

10. Fall 2015 Enrollment Report Survey Update—Diana Gonzalez

Diana reported that the enrollment data is not yet complete. She stated that when complete she will send the report to council members for review.

11. For the Good of the Order—John Sellars

Diana referred back to Jeremy's HBI report and asked if the council would like to organize a conference call or share comments on the report's draft via email. Jonathan said he was comfortable to review the report via email and the group agreed.

The meeting was adjourned at 4:27 PM.

Respectfully submitted by:

Barbara Burrows (on behalf of Jeremy Varner, ICCPHSE Recording Secretary)

Liberal Arts and our Future

Iowa Coordinating Council for
Post-High School Education

April 25, 2016

Why do I have to take this course?

- ▶ Our best students know that high quality learning takes more than a major
 - Broad learning
 - Intellectual skills
 - Personal and social responsibility
 - Integrative and adaptive learning

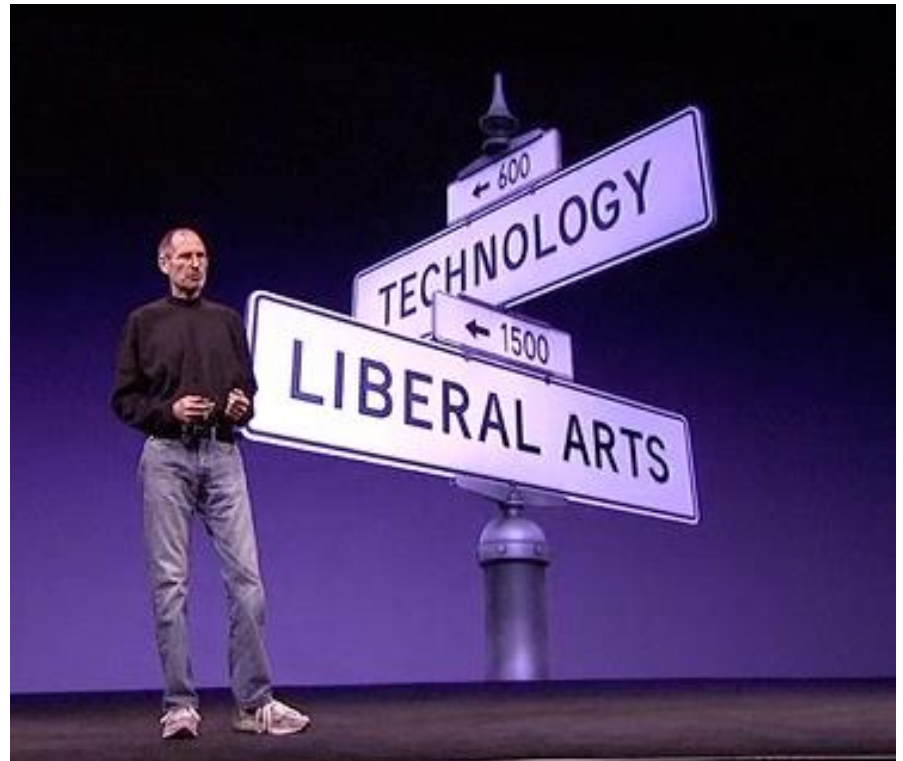

What is a LIBERAL education?

- ▶ Approach to learning that **empowers individuals** and **prepares them** to deal with **complexity, diversity, and change**.
- ▶ Your student will graduate from UNI with **broad knowledge** of the wider world (general education) as well as **in-depth study** in a specific area of interest (major).

What employers are telling us...

“a demonstrated capacity to think critically, communicate clearly, and solve complex problems is more important than a candidate’s undergraduate major”

What employers want...

- ✓ Ability to work in team structures
- ✓ Ability to make decisions and solve problems (tie)
- ✓ Ability to communicate verbally with people inside and outside an organization
- ✓ Ability to plan, organize and prioritize work
- ✓ Ability to obtain and process information

Taken from *Forbes* Magazines, "The 10 skills employers most want in 2015 graduates"

Higher Learning Commission

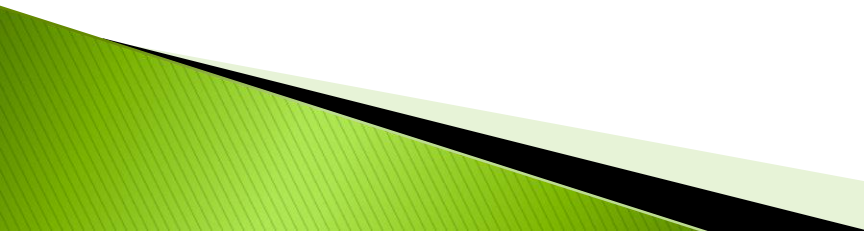

Goals: 1) Impart common knowledge and intellectual concepts, 2) proficiency in the skills that are hallmarks of being college-educated

- ▶ Understanding and appreciating diverse cultures
 - ▶ Mastering multiple modes of inquiry
 - ▶ Effectively analyzing and communicating information
 - ▶ Recognizing the importance of creativity and values to the human spirit
- 

Common Outcome Areas

- ▶ Writing skills
 - ▶ Critical thinking and analytic reasoning skills
 - ▶ Quantitative reasoning skills
 - ▶ Know of science, mathematics, humanities, global or world cultures, social sciences, the arts
 - ▶ Oral communication skills
 - ▶ Intercultural skills and abilities
 - ▶ Information literacy skills
- 

Models of General Education

- ▶ Distributive model
 - ▶ Capstone or culminating studies taken in major
 - ▶ Upper-level general education requirements
 - ▶ Core curriculum
 - ▶ Thematic required courses
 - ▶ A common intellectual experience
 - ▶ Capstone or culminating studies experience
 - ▶ Learning communities
- 

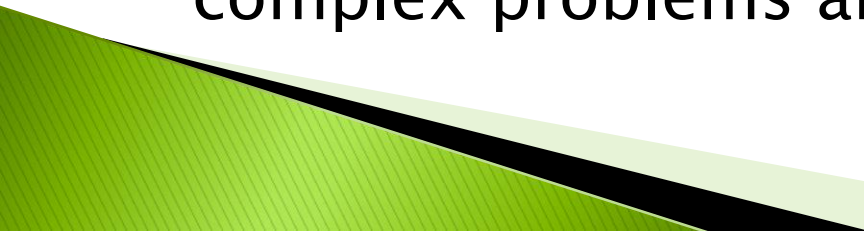

General Ed Structures in Place

- ▶ Clear learning outcomes
 - ▶ Learning outcomes linked to graduation requirements
 - ▶ Assessment of student achievement of the learning outcomes
 - ▶ Collection and analysis of learning outcome data
 - ▶ Use of the learning outcome data to improve student learning achievement
- 

General Education Goals example

- ▶ L.E.A.P Initiative– Liberal Education & America’s Promise from the Association of American Colleges and Universities (AAC&U)

Across multiple fields of study:

- ▶ Wide–ranging knowledge of science, cultures, and society
 - ▶ High level intellectual and practical skills
 - ▶ An active commitment to personal and social responsibility
 - ▶ Demonstrated ability to apply learning to complex problems and challenges
- 

L.E.A.P. Initiative

- ▶ Focus on individual student readiness
 - ▶ A call to help students become “intentional learners”
 - ▶ Focus on learning outcome statements
 - ▶ The Principles of Excellence to influence practice across the disciplines and in gen ed
 - ▶ The development of rubrics for assessment of the achievement of the goals in 16 critical areas
- 

General Education and Transfer

Iowa's Liaison Advisory Committee on Transfer Students (LACTS) agreement

- ▶ Associate of Arts
 - Communications – 8 hours
 - Humanities – 8 hours
 - Mathematics and Science – 8 hours
 - Social Science – 8 hours
 - Distributed requirements: 8 hours
- ▶ Total 40 hours

General Education and Transfer

- ▶ Associate of Science
 - Communications – 8 hours
 - Humanities and Social Science – 8 hours
 - Mathematics and Science – 20 hours
 - Distributed requirement – 4 hours
- ▶ Total 40 hours

General Education and Career and Technical Education

Higher Learning Commission and Iowa Code and Department of Education

- ▶ CTE programs: 62 – 87 credits
- ▶ Include at least 15 hours general education
- ▶ May include up to 29% of the program as general education credit (18 – 25 credits)
- ▶ Distributive method: all programs must include
 - 1 course Communications
 - 1 course Social Science and/or Humanities
 - 1 course Mathematics and/or Science
 - Other hours come from any of these areas

General Education and CTE

- ▶ Choices are specified by program
 - ▶ Not cafeteria menus of introductory courses to specific transfer majors
 - ▶ Aims at being a coherent program educating the whole student
 - ▶ Focuses on the stakeholders we serve: students, businesses and industry, community, occupations
 - ▶ Aligns with the mission of the community college and the individual institution
- 

General Ed 5 Key Drivers of Quality

- ▶ Outcomes-focused design of the curriculum
- ▶ Needs-based curriculum design- students, employers, higher education partners, community
- ▶ Student cohorts learning together
- ▶ Interdisciplinary focus
- ▶ Institutionally-based General Education disciplines' and CTE programs' review processes and cycles

Focus on improvement

Bd of Directors, AAC&U, 1998:

Because liberal education aims to free us from the constraints of ignorance, sectarianism, and myopia, it prizes curiosity and seeks to expand the boundaries of human knowledge. It embraces the diversity of ideas and experiences that characterize the social, natural and intellectual world. To acknowledge such diversity in all its forms is both an intellectual commitment and a social responsibility, for nothing less will equip us to understand our world and to pursue fruitful lives....liberal learning is society's best investment in our shared future.

Questions?

Doug Hoelscher
Director of State-Federal Relations
Office of the Governor & Lt. Governor

NGA Talent Pipeline Grant Purpose:

- Assist states in aligning their education and training systems to the needs of their economy:
 - Policy makers and industry remained frustrated by the persistent skills gap
 - We needed to develop a shared vision of where we wanted to go as a state to grow our talent pipeline
 - There was a desire to better identify relevant programs and resources and begin to drive alignment across the education, workforce, and economic development systems

NGA Talent Pipeline Grant Work Summary:

- Iterative work with broad group of stakeholders to develop shared vision – vision statement, goal, objectives and key strategies
- Begin to socialize vision with Iowans, including Future Ready Iowa roundtables & summit
- Catalogue talent pipeline programs from key agencies and stakeholder groups

NGA Talent Pipeline Grant Work Summary (cont):

- Developing executive dashboard and identifying key metrics to inform policy makers
- Developing an interactive portal to clearly present career opportunities and pathways
- Coordinating with the Workforce Innovation and Opportunity Act (WIOA) implementation and Career & Technical Education (CTE) Taskforce work

Key Messages:

- Enable Iowa employers with the **skilled workforce** needed to grow, innovate, and compete in a dynamic, knowledge-based, global economy.
- Empower Iowans with **rewarding careers** and good paying jobs that grow family incomes and nurture healthy communities.
- **Align resources** (government, employers, & non-profits) to targeted areas that show promise to deliver results.

Future Ready Iowa: Growing Iowa's Talent Pipeline

Vision:

A **Future Ready Iowa** that prepares individuals for dynamic careers and lifelong learning, meets employer needs, grows family incomes, and strengthens communities. **Future Ready Iowa** helps more Iowans attain the “new minimum” of high-quality education and training beyond high school by aligning education, workforce, and economic development resources.

Goal:

By 2025, 70 percent of all Iowans in the workforce will have earned education and/or training beyond high school (the new minimum) that meets employer needs.

Stakeholder Coordination:

Dozens of stakeholders, including business representatives, educators, and workforce practitioners, participated in the iterative development of the vision statement and goal.

Drive Alignment & Connectivity:

- Build on innovative programs and initial partnerships to take Iowa's talent development efforts to the next level – industry by industry and region by region
- Help drive alignment across programs and stakeholder groups
- The task-ahead is to advance strategies and actions to move Iowa toward the goal

Create an Interactive Career Development Portal:

- Clearly outline job and career opportunities in Iowa, focusing on high-demand, high-growth sectors (Battelle sectors)
- Develop comprehensive career pathways information for high-demand jobs/occupations that incorporates key education and training providers
- Resource for students, parents, educators, businesses, adult workers, and community organizations -- a one-stop shop

* Off-campus students do not attend any on-campus classes (i.e. classes with at least 20% time spent on the main campus of the institution)

Note: This report is based on point-in-time data representing enrollments corresponding to each College/University census date. For example, for the University of Iowa, University of Northern Iowa and Iowa State University, the census date is the 10th day of classes. The public community colleges use the 14th day of classes for their census date.

Adjusted Total Enrollment is calculated by adding the total number of Full Time students to the number of Part Time Semester Credit Hours divided by the institution's FTE value. (For most institutions the FTE value is 12 semester credit hours for undergraduates, and 9 semester credit hours for graduate and professional students.)
