The Board of Regents, State of Iowa

1. GENERAL

The Board of Regents, State of Iowa (Board) located in Urbandale, Iowa, intends to retain the services of a qualified consulting Firm with a national perspective to provide a search to identify candidates for the next President for the University of Northern Iowa in a timely, accurate and professional manner.

The required documentation of expertise and qualifications outlined in this request is intended to serve primarily as a general guide for each statement of qualifications, with the minimum requirements listed. Each Firm is expected to submit a fully detailed statement of qualifications, which adequately describes the advantages and benefits the Board would realize by selecting the Firm.

Representatives of the Board, the Board Office and/or other appropriate personnel will screen written proposals. A limited number of Firms may be selected to make oral presentations to a representative group of Regent and other appropriate personnel. Based upon the initial submittals and oral presentations, a single Firm will be selected to provide these services.

Interested Firms are invited to submit qualifications for the Firm and the individual qualifications of the Firm’s representatives designated as key personnel that would be assigned to the Regents if selected as the successful Firm, as described in the attached Request for Qualifications.

Firms invited to participate in an interview should be prepared to discuss fully and substantiate any aspects of its proposal.

The Board will select the successful Firm based on experience, reputation, price and ability as well as responses to the questions listed in section 5. Firm’s submission of a proposal constitutes acceptance of the evaluation technique and the Firm’s recognition and acceptance that subjective judgments will be used during the evaluation process.
