Craig Lang  
President of the Board of Regents  
Board of Regents  
State of Iowa  
11260 Aurora Avenue  
Urbandale, IA 50322-7905

Dear Mr. Lang;

I am taking the liberty to send to your attention a note to recognize the wonderful relationship that the program I direct has with the Iowa Braille and Sight Saving School in Vinton.

Since our arrival on campus the National Civilian Community Corps (NCCC) has experienced the great generosity and partnership with the entire school staff. Our members, as well as staff, have greatly appreciated the support and guidance which the school and the entire community have provided. We especially have appreciated the school administration's support during the challenging times surrounding the recent tornadoes and storms in the area.

The NCCC has five campuses across the United States. We feel extremely fortunate that we were able to establish a strong presence in Vinton and on the school campus. We look forward to a continuing relationship. The hundreds of corps members who have served in Vinton have left with an extremely positive impression of the Iowa Braille and Sight Saving School, the community of Vinton and the state of Iowa. They have carried that message back to their home towns across the country.

Please share our gratitude with all of the Regents and our hopes for a long term partnership with the School.

Most sincerely,

Kate Raftery  
Director

AmeriCorps National Civilian Community Corps (NCCC)
