Subject: Resignation

Dear Regents:

It is with regret that I inform you of the resignation of Andy Baumert, effective Friday, September 17th. Andy has accepted the position of Director of Marketing and Public Affairs for the Iowa Association of Independent Colleges and Universities, a position that will allow him to expand the use of his communications background and apply his vast higher education experience to Iowa's independent colleges.

Andy joined the Board of Regents staff in September 2004, and served as Interim Executive Director of the Board from November 1, 2007 until June 9, 2008. Prior to joining the Board Office, Andy served as the legislative liaison for Iowa State University. Since 1987, Andy has served in lobbying, public policy development, and policy communication roles at the state and federal levels.

We thank Andy for his outstanding service to Iowa's Public Universities and Special Schools, particularly Iowa State University, and we wish him all the best in his new role with Iowa's Independent Colleges and Universities.

Regards,

Bob
