Project Summary

	<u>Amount</u>	<u>Date</u>	<u>Board Action</u>
Project Description and Total Budget	\$ 55,000	April 2001	Requested

This project would replace and upgrade electrical equipment in the Power Plant to serve the new Recreation Building. The electrical upgrades are necessary to provide emergency power for the facility. In addition, the project would extend fiber optic cable to the Recreation Building to connect the structure with the campus fire alarm and energy management systems, and provide voice and data communications.
