

The Board of Regents recognizes that inclement weather may create emergency conditions that make it difficult or unreasonable to conduct normal business and educational activities at the Regent institutions. Therefore, the Board delegates decisions on temporary closings, cancellations or curtailing of normal institutional functions due to inclement weather to the institutional head and central administration of each Regent institution, according to their individual policies. The Executive Director and/or the Board Office should be notified immediately whenever such decisions are made.

4.42 Proposed Policy on Interinstitutional Staff Sharing

From time to time various emergency and other situations may occur at one or more of the Regent institutions requiring additional, temporary, assistance from outside the campus. The institutional heads are hereby authorized and encouraged, to provide assistance to the extent possible and to send and receive volunteer employees and resources from other Regent institution(s) under such circumstances. It is understood that the receiving institution will reimburse the sending institution(s) for the cost of such assistance or other arrangements as agreed to by the parties.
