

**MEMORANDUM**

**To:** Board of Regents  
**From:** Board Office  
**Subject:** Proposed Program in Classical Studies at ISU  
**Date:** December 4, 2000

**Recommended Action:**

Receive the status report on the review of the Classical Studies Program at Iowa State University by the Interinstitutional Committee on Educational Coordination and the Board Office.

**Executive Summary:**

The proposal for a new B. A. Program in Classical Studies was referred to the Interinstitutional Committee on Educational Coordination and the Board Office for review and recommendation in November. At the request of the Board, it was requested that the review include an evaluation of the program based on the Regent Principles and Standards for Program Duplication (*Procedural Guide* §6.09). The latter report had not yet been received in the Board Office by Docket Day so this item has been pulled from the agenda and will be docketed again in February.
